Milestone Goals

Visit the Career & Transfer Resource Center on campus in J201 (2nd Floor, J Building, 301.846.2594)
OR
Online at http://www.frederick.edu/student-resources/career-transfer.aspx

1-15 credits

Career: Explore career and major areas - Visit Career Center on campus or online to take career assessments and gather information

Transfer: Attend a Transfer Information Session - Visit Transfer Center on campus or online to research college and university options, and to create an individual transfer plan - Visit 4-year college websites.

15-30 credits

Career: Determine your career path - Declare your academic major and map out your course work with an advisor - Talk with faculty teaching and/or people working in your career of interest

Transfer: Map out your course work with a recommended transfer program in mind - Narrow your list of colleges and universities to determine intended transfer institution(s) - Meet with your academic advisor to determine course work required of major at FCC and transfer institutions

30-45 credits

Career: Begin developing your job search plan - Write your resume, practice interviewing techniques -
Gain experience related to career goals via employment, internships, volunteer work, etc.

Transfer: Determine transfer application/admissions procedures and deadlines of your intended transfer institution(s) - Explore financial aid and scholarship options at various schools for transfer - Begin drafting your essays for transfer admission applications

45-60 credits

Career: Prepare for transition into the workforce - Check Career Center website - Attend job search workshops, on-campus recruitment events, and off-campus job fairs

Transfer: Ask professors for letters of recommendation for transfer institutions - Write your essays for transfer admission applications -
Apply to your top 3 - 5 college and university choices - Check deadlines!
