

C-211A is equipped with a computer, projector, document camera, Blu-Ray player, Web Camera, microphone and Audio/Video control system with sound. The projection surface is a vinyl coating surface on the front wall that can be written on using dry erase markers.

- The **computer** is located behind the left monitor.
- If the computer screen is blank, move the mouse to wake it up. If it does not respond, press the power button located on the front of the computer.
- Log in by typing your network name and password.
- **REMEMBER TO LOG OUT WHEN YOU ARE FINISHED.**

The controls for the **projector power, volume** and **input source** are located on the wall behind the instructor console.

If you wish to connect other devices to the projector, use the **HDMI** cable on the console and press the **HDMI 2** button on the controller. Adapters for most model laptops are attached to the HDMI cable.

Additional **USB** ports can be located on the lower left side the computer screen and front of the PC.

Detailed instructions for use of the **Web Camera** and microphone can be found on separate instructions at the instructor station.

Additional **120v** receptacles can be found in the equipment rack below the below the work surface.

The **Blu-Ray** player is located below the surface on a shelf inside the equipment rack.

If you require any software or hardware that is not installed in this classroom, please contact your office manager.

For immediate technical assistance, please call the **I.T. Service desk at X3333** from your classroom, any campus phone or **red help phones** in the hallways or by calling **301.846.2509** from your cell phone.

For any non-urgent issues, please submit a ticket using the desktop icon or (<https://servicedesk.frederick.edu>) using your **FCC username and password**.
