

# You're Invited!

## FCC's **Health Care Careers** **Fall Open House**

The Monroe Center • 200 Monroe Avenue • Frederick, MD 21701

**Tuesday, November 18, 2014 • 5:30-7 p.m.**

**Attend our open house to learn more about the health care industry, in-demand career opportunities and a variety of training programs designed to prepare students for state and national certification as well as long-term career success.**

### ***Health Care Careers Overview***

**5:30 p.m. - 6:00 p.m.**

Join us for presentations on FCC's training programs including Certified Nursing Assistant, Phlebotomy Technician, Pharmacy Technician, Medical Billing & Coding and more while learning about upcoming classes and how to get started.

### ***Tour the Monroe Center***

**6:00 p.m. - 7:00 p.m.**

See our training labs first-hand, meet our instructors and talk with professionals currently working in the health care field. Be sure to bring along your questions!
