

Frederick Community College Policy

Section 4.00 Academic Policy	Policy Number	4.15
	Page	1 of 1
Academic Integrity	Procedure Number	4.15
	Board Approved	1/21/09

- A. Frederick Community College is committed to sustaining an environment that actively promotes honesty, dignity, trust, and respect in the institutional policies and our professional behavior and interactions. An integral part of this core value is a relationship of trust among faculty, staff, and student.

- B. Frederick Community College promotes academic integrity by setting standards of conduct for learning, creating learning environments that encourage and demand honesty in academic work and behaviors, and holding faculty and staff accountable for modeling behaviors that support the development and worth of all students. All faculty, staff, and students are expected to uphold these standards and be active participants in FCC's efforts to promote academic integrity. Individuals violating this policy will be subject to the provisions of Procedure 4.15, Violation of Academic Integrity.
