

Allied Health Academy

“The Allied Health Academy helped me get a great job. Shortly after completing my training in sterile processing I was offered a full time position with the University of Maryland Medical Center as a sterile processing tech. I would recommend AHA to anyone. The staff also helps accommodate your needs and hardships that might come during the process.”

If you are a single parent, unemployed or underemployed, AHA might be right for you. The Allied Health Academy (AHA) provides case management, referral to resources, academic advising, and tutoring (as available). Through the FCC Foundation, an AHA program scholarship is available to eligible participants for tuition, books and materials, transportation costs, and/or childcare costs. This financial support is provided by the Women's Giving Circle and the Leiby-Cavalier Endowed Scholarship Fund.
