

**Children's Center**  
**Summer Camp 2017**

**Backyard Fun! (June 19-23)**

Enjoy the warm summer weather as we partake in summertime classic games like tug-of-war, kickball, foursquare, corn hole, sack races, hopscotch, lawn games and more. Teamwork and sportsmanship will be our focus. Win, lose or draw games are fun! Special events include a visit to FCC's tennis courts and soccer on the soccer fields on campus along with bowling at Walkersville Lanes.

**Camp Invention (June 26-30)**

Satisfy your sense of curiosity! Kids love finding out how things work through fun, hands-on projects. Enjoy fascinating hands-on STEM (Science, Technology, Engineering and Mathematics) activities and get a feel for what science is all about. Campers will be problem solving and each day will be a new STEM challenge each day! Special events include a visit from Snapology and visit to the C Burr Artz Public Library to visit the STEM Lab.

**Cooking Fun (July 3-7 closed July 4<sup>th</sup>)**

Concoct delicious creations from the kitchen! Read recipes, measure ingredients, and prepare favorite foods. Special events include a visit to the FCC's Cougar Grille to see what goes on behind the counter, pasta making, and more!

**Super Science (July 10-14)**

Put on your lab coats and get ready to experiment with all sorts of slimy, gooey stuff during our super science adventures. Investigate, experiment, and discover that science and the world in which we live are truly magic. Activities include making magic crystals, silly slime, water bottle rockets, volcanoes and more. Special events include a visit from Tim's Gems and a field trip to the Earth Space and Science Lab.

**Imagination Station! (July 17-21)**

Unleash your child's imagination this summer! Each day this week, we will create something different through various processes, mediums, materials and of course our vast imaginations! Come explore the endless possibilities of fun with us! Special events include a visit to The Glass Resort in Frederick, FCC's Mary Condon Hodgson Art Gallery and painting pottery from "I Made This!"

**Sensational Animals (July 24-28)**

Explore the world of creatures that fly, creep and crawl. Can birds see in color? How does a spider know that something is in its web? Do snakes really smell with their tongues? How well do bats hear? Join us as we explore these questions and more. Each day will be a new adventure. We sense you'll have a great time! Special events include a trip to Fountain Rock Nature Center.

**Flight Academy (July 31-Aug 4)**

It's a bird! It's a plane! No, it's...everything from the earliest flying machines to the first rocket flights. This hands-on program will introduce campers to aerodynamics and the world above us. Explore the basic principles of flight, make paper airplanes and construct balloon copters. Discover the mysteries of the galaxy, learn about planets and launch water rockets. We'll be moving at light speed throughout this high velocity week! Special events include a visit to the Frederick Municipal Airport.

**Young Naturalists (Aug 7-11)**

Does your child love nature, plants, animals, birds, bugs, butterflies and exploring the great outdoors? Then they will love this camp! Discover the simple joys of nature and grow closer to the natural world through outdoor exploration, new discoveries and hands-on learning. Every day brings a different adventure for our campers! Special events include a visit from Scales and Tales and a trip to Cunningham Falls to hike with our own resident Naturalist.

**Crazy Days (Aug 14-17 no camp Aug. 18<sup>th</sup>)**

Let's have some FUN before summer is done! Every day will be a new theme such as mix and match day, sport jersey day, pajama day and much more. Special events include a trip to the movies, silly boat races and visit from a magician.

***Please note that field trips and special visitors are always subject to change based on weather, availability and scheduling. Weekly swimming to be confirmed!***
