

Frederick Community College

THE TUTORING CENTER

Program Student Learning Outcomes

Students will be able to:

1. To help students identify major course assignments and completion requirements.
2. To guide students in understanding course content and enhance their knowledge base.
3. To help students use effective study skills to become independent active participants in the learning process.
4. To foster course completion each semester and promote persistence.
5. To coach students in how to manage/resolve academic student conflicts.
