

B114 is equipped with a computer, projector, document camera and A/V control system with sound. The projection surface is also a whiteboard and can be written on using a dry erase marker.

- The **computer** is located on the lower shelf of the equipment rack.
- If the computer screen is blank, move the mouse to wake it up. If it does not respond, press the power button located on the front of the computer.
- Log in by typing your network name and password.
- **REMEMBER TO LOG OUT WHEN YOU ARE FINISHED.**

The controls for the **projector power, volume** and **input source** are located on the wall behind the instructor console station.

If you wish to connect other devices to the projector, use the HDMI cable on the console and press the **HDMI 2** button on the controller. Adapters for most model laptops are attached to the HDMI cable.

Additional **USB ports** can be located on the front of the PC or side of the monitor.

Additional **120v** receptacles can be found in the equipment rack below the work surface.

The **Blu-Ray** player is located below the surface on a shelf inside the equipment rack.

Please refer to separate instruction sheet on how to use the document camera and microphone for video conferencing.

If you require any software or hardware that is not installed in this classroom, please contact your office manager.

For immediate technical assistance, please call the **I.T. Service desk at X2509** from a classroom or hallway campus phone or by calling **301.846.2509**.

For any non-urgent issues, please submit a ticket using the desktop icon or (<https://servicedesk.frederick.edu>) using your FCC username and password.
