

F-118 is equipped with a computer, projector, document camera, Blu-Ray player, Apple TV, pull down projection screen and Audio/Video control system with sound.

- The **computer** is located on a bracket **behind** the monitor.
- If the **computer screen is blank**, move the mouse to wake it up. If it does not respond, press the power button located on the front of the computer.
- Log in by typing your network name and password.
- **REMEMBER TO LOG OUT WHEN YOU ARE FINISHED.**

The controls for the **projector power**, **volume** and **input source** are located on the equipment rack to the right of the desktop computer.

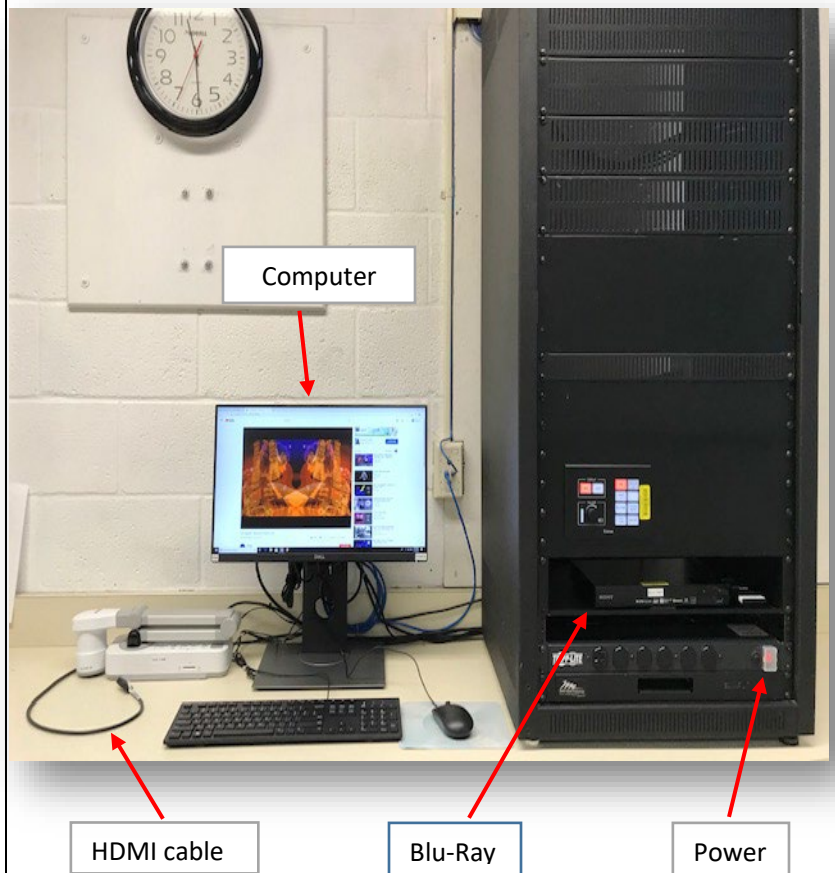

If you wish to connect other devices to the projector, use the auxiliary **HDMI** cable on the counter top and press the **HDMI 2** button on the controller. Adapter dongles for most laptops are also attached.

Additional **USB ports** can be located on the lower left side of the computer monitor.

The **Blu-Ray player** is located on the shelf in the equipment rack.

The computer is located behind the monitor
