Frederick Community College Suggested Transfer Pathway

Catalog Year 2020-2021

This transfer pathway shows specific course requirements for major transfer institutions; if your desired transfer institution is not listed or for more detailed advising, work with an advisor to select courses. This suggested pathway is a guide, not a contract, to be used in consultation with an advisor, the FCC catalog, and [ARTSYS](#), the state-wide transfer system. See reverse for more information.

Pathway Notes

Towson University, University of Maryland School of Nursing, and Stevenson University require a Test of Essential Academic Skills (TEAS) score to be submitted with the application.

Salisbury University requires a HESI A2 score to be submitted with the application.

View each institution's nursing admissions information available on their websites for application deadlines, recommended GPA and admission test scores, pre-admission course work and admission test repeat limits, and any additional pre-admission requirements.

Advising

Students should meet with an advisor each semester to carefully select and sequence courses based on their specific academic goals and interests.

The Counseling & Advising Office offers general advice: emailadvising@frederick.edu • 301.846.2471 • frederick.edu/advising

Program managers offer specific academic area advice: frederick.edu/programs

Transfer Pathway Information

Students who take fewer than 15 credits each semester or who require developmental English or math coursework will need additional semesters to complete their degrees. Summer and January term classes may help students to make faster progress.

General Education CORE courses can often be taken in any semester. One course must be designated as a Cultural Competence course. A minimum of nine credits must be taken at the 200 level. Refer to the college catalog (frederick.edu/class-schedules) for course details and the list of General Education and Cultural Competence classes.

Reverse Transfer

FCC students who transfer to another school may transfer credits *back to FCC* from that school to fulfill FCC associate degree requirements. Visit frederick.edu/credit-admissions/reverse-transfer or contact an advisor for more information.
