Enrollment by Type***

*In 2020, FCC combined the 3-week and 5-week January Terms into the Spring Term and should be considered when making comparisons to prior Spring data.

**A re-admitted student is defined as an enrolled student who had not been enrolled for the past two years or past four semesters including summer. This definition was adopted as of fall 2001.

***Enrollment by Type reports students who begin in summer as new in the fall according to MHEC's definition. Therefore, the figures within the categories might be different than the other internal reports.
