TUITION & FEES

Our College is dedicated to providing quality education, superior resources, and affordable tuition. FCC tuition and fees for a full-time (12 credit) in-county student amount to approximately $3,700 per year. By comparison, the College Board reports the national average for tuition and fees exceeds $9,000 at public four-year colleges and averages $31,000 at private schools. With high academic standards and affordable tuition rates, FCC is a wise choice for higher education.

I. Philosophy and Scope
Frederick Community College ("FCC" or the "College") is committed to supporting student success by ensuring appropriate course placement using a series of computer-based assessment tests that measure individuals’ reading, writing, and math skills. Minimum placement scores, known as cut scores, are established through statewide agreements. These scores are used to determine college-readiness and placement into specific courses, including developmental, English language acquisition, and college-level courses. Credit courses have prerequisites that include expectations of college-readiness as reflected in the placement scores and/or other pre-established expectations. This policy and procedures outlines placement test requirements, guidelines for placement, and exemptions and exceptions to required placement testing.

II. Definitions for the Purpose of this Policy and Procedures
A. "Certificate-Seeking" refers to a category of individuals who have declared an intent to follow a sequence of specific credit courses resulting in a formal award of completion of up to 36 credits.

B. Students who are in the category of “Deferred Action Childhood Arrivals” (DACA), or “Temporary Protected Status” (TPS) are eligible to establish in-state/in-county residency for tuition purposes. Being eligible for in-county or in-state tuition does not alter your immigration residency status. U.S. residency status is processed, determined and completed by the U.S. government.

C. In-county residency status for eligible “International/Foreign National Students” must meet the same three (3) months requirements and proof of residency documents as all other students.

D. An individual’s immigration status may not preclude award of MD residency under this policy if the individual has the legal capacity to establish domicile in Maryland.
B. Students who live in Frederick County or in Maryland and qualify for in-county or in-state tuition, as outlined by the Maryland Dream Act, will remain undocumented immigrants. U.S. residency status is processed, determined and completed by the U.S. government.

VIII. Reclassification of Residency for Tuition Purposes

A. Students requesting a reduced tuition rate based on a change of address must submit proof of actual address change as defined in Section VIII by completing the online “Change of Address” form. The proof of residency and “Change of Address” form can also be submitted in print by one of the following ways:

1. in-person to Registration and Records within the Enrollment Center located in Jefferson Hall,
2. through assigned “myFCC” email account by emailing registration@frederick.edu
3. by fax (301.624.2799), or
4. via U.S. postal mail to Registration and Records.

B. Students requesting a reduced tuition rate based on Visa status can do so by completing the online “Tuition Rate Change” form. The “Tuition Rate Change” form can also be submitted in print by one of the following ways:

1. in-person to Registration and Records within the Enrollment Center located in Jefferson Hall,
2. through assigned “myFCC” email account by emailing registration@frederick.edu
3. by fax (301.624.2799), or
4. via U.S. postal mail to Registration and Records.

C. Request for change in residency classification for tuition purposes must be submitted prior to the “last day to add” for the first session for which the student is enrolled in order to be changed for that session. Residency determination for tuition purposes is term specific and not retroactive. A student who moves to a different residence during a semester and provides proof after the “last day to add” will have their residency adjusted for the following semester.

D. If there has been a change of address that affects residency, tuition will be adjusted for the following semester as follows:

1. A student moving to a higher tuition rate based on their residency will have their residency determination for tuition purposes automatically changed to reflect their new residency status.
2. A student moving to a lower tuition rate based on their residency will bear the burden of proof of the new residency status.

IX. Proof of Residency

In accordance with Maryland State and Federal Law, any of the following factors will be considered to be proof of legal residency:

A. Substantially uninterrupted presence, including the months when the student is not in attendance at the college, as evidenced by ownership or rental of living quarters in which the student resides. (12-month lease or mortgage)
B. Payment of Maryland state and local income taxes. (MD 502 Tax Form)
C. Registration to vote in Frederick County and/or the state. (Voters Registration Card)
D. Registration of a motor vehicle in the state, with a local address specified, if the person owns such a vehicle. (Motor Vehicle Registration Card)

E. Possession of a valid Maryland driver’s license, with a local address specified, if the person is licensed anywhere to drive a motor vehicle, or a valid Maryland MVA-issued ID. (Driver’s license or MVA issued ID card)

F. Active duty military personnel, honorably discharged veterans, spouses and dependents who reside, are stationed, or domiciled in Maryland are exempt from the 3-month requirement and are considered in-county once proof is shown. (Military orders, letter from Education Officer, DD214 and any of the residency factors listed above).

X. Appeals and Exceptions to Residency Classification for Tuition Purposes

Students who intend to appeal their residency classification may do so by appealing in writing, to the College Registrar. Appeals must be accompanied by appropriate evidence of your actual residence. Your appeal must be received before the end of the third week of classes in the fall and spring semesters, and the first week of summer and winter terms. Any changes received after these deadlines will be effective the following semester.

Students who are in unstable housing situations may be eligible for adjusted tuition based on residency classification for tuition purposes. Contact the Registrar to discuss potential ways and documentation to prove residency.

Pending Financial Aid Payment Plan

This is an option for you if:

- FCC has received your 2021-2022 FAFSA and you have a valid EFC (Expected Family Contribution)
- You have submitted all required items on your "to do" list in Peoplesoft
- You are not suspended from financial aid; and
- You are not in default on a prior student loan

Note: Please allow 48-72 hours for FCC to receive your FAFSA after you complete at fafsa.gov.

*There is no pending aid payment plan option during the summer semester.*

If award showing in PeopleSoft is greater than your tuition balance, no further action is needed.

If less, you must pay the difference in full or sign up for the pending financial aid payment plan by the due date to avoid the Drop Zone. See drop dates listed on page 2.

If you have an incomplete file, you must sign up for the regular payment plan by the due date to avoid the Drop Zone or pay in full.

FCC provides a payment plan for the semester which allows you to divide your total costs into automatic monthly payments. View Automatic Payment Plan options on page 3. For or additional information, contact Student Finance at 301.846.2456 or email questions to studentfinance@frederick.edu.

Disability Access Services (DAS)

The College provides support services to students with disabilities. The specific needs of each student are considered on an individual basis. Students with disabilities are encouraged to contact the Disability Access Services (DAS) Office as early as possible after applying for admission. Reasonable accommodations, based on student request and disability documentation submitted, may be approved for classes and placement testing, if applicable. Students in need of sign language interpreting services should contact the Coordinator for Interpreting Services a minimum of two weeks prior to the beginning of classes to ensure services are in place.

Contact Information:

Family Educational Rights & Privacy Act of 1974 (FERPA)

FERPA, commonly known as the Buckley Amendment, was issued by the Department of Health, Education and Welfare in the 1976 Federal Register. The regulations were transferred to the Department of Education when it was established and codified in Part 99 of Title 34 of the Code of Federal Regulations.

The purpose of FERPA is to afford certain rights to students concerning their educational records. FERPA applies to all schools that receive funding under most programs administered by the Secretary of Education. Most postsecondary institutions, both public and private, generally receive such funding and must, therefore, comply with FERPA.

FERPA applies to all education records maintained by a postsecondary institution, or by any party acting for the institution, which are directly related to the student. These include, but are not limited to, assessment test scores, academic standing, rosters, class schedule, or any information that would make the student's identification easily traceable. FCC may release directory information, which includes student's name, dates of attendance, and enrollment status--see the FCC catalog for a complete list.

Students wishing to restrict directory information or grant additional access must contact Registration and Records (in writing) with their request. There is no expiration date for these access exceptions. Contact Registration and Records for additional information.

The Consent to Release Student Educational Records is an electronic form available online at www.frederick.edu/admissions/registration-forms.aspx.

BOOKSTORE

The Bookstore is located at the main entrance of the Student Center, Building H. Visit us online at bookstore.frederick.edu for the most current information on store hours, course material requirements, and buyback. DINING SERVICES

Dining Services manages the Cougar Grille, Smooth Joe's, and College catering services, and oversees College vending.

FCC meal cards may be used at the Cougar Grille and Smooth Joe's. Purchase a meal card at the Bookstore, the Cougar Grille, Smooth Joe's, or at frederick.edu/dining. Eligible students may purchase meal cards using financial aid (certain restrictions apply). Meal cards funded by financial aid must be purchased at the Bookstore during the first two weeks of the semester.

Visit frederick.edu/dining for hours and additional information. Contact Dining Services at 301.624.2738 or diningservices@frederick.edu.

The College continues to closely monitor and carefully assess the impact COVID-19 has on our operations and instruction. Modifications to the traditional College procedures, as outlined in the following sections, may be necessary. Please refer to the Directory on page 14 for contact information and frederick.edu/Covid-19 for updates.
No Cost / Low Cost Textbooks
FCC is committed to making college more affordable with more faculty adopting lower cost textbook options.

Within this schedule, if a course has this icon, it means some or all sections of the course utilize textbook materials for less than $40 and/or free Open Educational Resources. For the textbooks or materials required for the course, please check bookstore.frederick.edu. Certain no/low cost textbook courses (e.g., science labs, art studio classes) have textbooks available for less than $40 but may require purchase of additional course materials and supplies.

When you register for classes, check the notes section to see if the course offers a No Cost/Low Cost textbook option.

ONLINE, STRUCTURED REMOTE & HYBRID COURSES
Please read the following requirements before registering for an online, structured remote, or hybrid course.

Frederick Community College offers three types of courses over the Internet: online, structured remote, and hybrid courses. Hybrid courses require the student to attend some class sessions on campus; online and structured remote courses do not. Online courses may require a proctored assessment. Any course section with the letters “HYB” indicates a hybrid course. The mouse icon (⿷) indicates online courses.

Online, structured remote, and hybrid courses are taught on Blackboard™ and require that students:

- Have Internet access through broadband connection or Wi-Fi (wireless)
- Have access to a Windows, Mac, or Linux computer
- Have Windows 7 or higher, Mac OS X, or Linux with Ubuntu 14 or higher
- Have Internet Explorer 8 or higher, or the most recent version of Mozilla Firefox or Google Chrome, all with the most recent Java and Flash updates applied
- Establish a myFCC e-mail account;
- Have basic computer skills in word processing, e-mail procedures, web-browsing, and handling features such as pop-up blockers;
- Are responsible for maintaining appropriate security and virus protection when using the student's own personal computer(s).

Students should expect to spend as much time on an Internet course as they would on a traditional on-campus course. Students should be self-motivated to handle the independent nature of learning that occurs in online courses.

Access to Blackboard: http://frederick.blackboard.com
User name Wxxxxxxx (where xxxxxxx is the seven digit student ID number);
Password is the same as the PeopleSoft and e-mail password.

Blackboard Course Requirements
All course sections require access to Blackboard at frederick.blackboard.com. Students are expected to be able to access Blackboard via the internet using personal, public, or appropriate college-available computers. Blackboard access is also required to complete course evaluations.

Textbooks
Purchase textbooks from the FCC Bookstore at bookstore.frederick.edu. Make sure you select books for the correct section of the course as they may differ by section. Some instructors require the corresponding access code for web resources.

Email Advising: emailadvising@frederick.edu
Email Advising is available to all current FCC students using their http://myFCC.frederick.edu email accounts. Please provide your full name and Student ID number. Typical response time is 24-48 hours depending on the information requested.

DEFINITIONS OF LEARNING FORMATS

Online Courses (ONL)
The course is conducted entirely online. There are no required real-time virtual sessions. Online courses are not self-paced, and students should be prepared to meet the deadlines as listed in the syllabus and the course.

Structured Remote Courses (SR)
The course is conducted entirely online. The class will have real-time virtual sessions that meet at the scheduled class times a minimum of once per week. Scheduled real-time virtual session dates will be designated on the syllabus. Students are expected to attend real-time virtual sessions, however, the sessions will be recorded and made available for students unable to attend. The student will be unable to enroll in multiple courses with overlapping meeting times. Students should be prepared to meet the deadlines as listed in the syllabus and the course.

When signing up for a mixture of structured remote and hybrid classes, please be sure to leave sufficient time between classes to move between campus and an appropriate workspace for your structured remote session. It is generally not advised to schedule structured remote and hybrid remote classes back-to-back.

Hybrid Courses (HYB)
The course is primarily conducted online and there will be periodic on-campus requirements during the scheduled class times. All on-campus requirements follow current FCC physical distancing protocols. The class may also have real-time virtual sessions that meet at the scheduled class times. Scheduled face to face and real-time virtual session meeting dates will be designated on the syllabus. Students are expected to attend real-time virtual sessions, however, these sessions will be recorded and made available for students unable to attend. The student will be unable to enroll in multiple courses with overlapping meeting times. Students should be prepared to meet the deadlines as listed in the syllabus and the course.
