Register now at frederick.edu/QuickEnroll

We're ready for a great summer and we want you to join us! Our weeklong morning and afternoon programs offer adventures in science, technology, culinary and creative arts, music, fitness, and so much more. Register online today!

Note: If you are new to online registration, click "Create Account" to get started. While a separate profile is needed for each child, the same email address can be used for each one.

Please contact CEWD Registration at 301.624.2888 or cerequest@frederick.edu with any questions.

Kids & Teens on Campus features supervised, hands-on activities to encourage students to think independently in a safe environment.

NEW! Before & After Care

Beginning Summer 2020, Frederick Community College youth programs will now offer before and after care on campus. Affordable and convenient, this weeklong program offers unstructured activities, including card and board games, arts and crafts, books, and more, for early arrivals and those needing to stay later in the afternoon.

Before Care for Kids

Supervised unstructured activities for students who must arrive before the morning classes begin. Students are registered for Monday through Friday, (no partial weeks) and may not be signed in to the program before 7:30 a.m. They will be accompanied to their morning class by Kids & Teens on Campus staff. Breakfast will not be provided but students may bring breakfast or early morning snacks with them.

AGES 6 - 16

KOC668 | 6 hours | \$24.00

19802	M-Th	6/29-7/2	7:30 a.m. - 9 a.m.	E123
-------	------	----------	--------------------	------

KOC668 | 7.5 hours | \$30.00

19804	M-F	7/6-7/10	7:30 a.m. - 9 a.m.	E123
19807	M-F	7/13-7/17	7:30 a.m. - 9 a.m.	E123
19809	M-F	7/20-7/24	7:30 a.m. - 9 a.m.	E123
19811	M-F	7/27-7/31	7:30 a.m. - 9 a.m.	E123
19813	M-F	8/3-8/7	7:30 a.m. - 9 a.m.	E123
19814	M-F	8/10-8/14	7:30 a.m. - 9 a.m.	E123

Extended Day for Kids

Supervised unstructured activities for students who must remain on campus following the end of afternoon classes. Students are registered for Monday through Friday, (no partial weeks) and must be signed out of the program by 5:30 p.m. They will be accompanied to the extended day program by Kids & Teens on Campus staff. Light snacks provided.

Important Notes

* Indicates Summers at Monroe class. All classes will be held at the Monroe Center from 9 a.m. - 12 p.m.
Age ranges vary within each category. Please see class descriptions or visit frederick.edu/YouthPrograms for details.

Limited Scholarships are available for Kids & Teens on Campus classes

Scholarships are funded through the Frederick Community College Foundation and will be awarded to eligible families demonstrating financial need. To apply, contact Youth Programs: youthprograms@frederick.edu • 301.846.2661

Arts, Music & Culinary Delights

Animal Art Attack!

Celebrate the entire animal kingdom through art. Create a woodland animal collage, sea creatures in paper mache, and sculpt dogs and cats out of clay. Explore using mixed media with drawings of horses, feathered owl friends, and decorated bird houses. This class is all about making art that focuses on the amazing creatures who share our planet with us.

AGES 7 - 10

KOC753 | 12 hours | \$109.00

19888 M-Th 6/29-7/2 9 a.m. - 12 p.m. F118 McDermott

NEW! Art Across the Globe

How much art can one person create in one week? That depends on how many countries you visit in this class each day. From China, the Netherlands, India, Australia, and other countries, get your hands messy with paint, glue and clay as you create art projects based on the unique cultures of each country you visit. Multi-Cultural art meets the artist in you!

AGES 8 - 12

KOC660 | 12 hours | \$109.00

19901 M-Th 6/29-7/2 1 p.m. - 4 p.m. F141 Nelson

NEW! Art Alive!

Bring art to life, literally. Turn famous 2-dimensional paintings into live pieces of work by recreating the style, background and characters from a famous painting. Take it a step further as you create a script or narration that explains your artistic version. This is a great way to get to know an artist, from the inside out!

AGES 11 - 15

TOC117 | 15 hours | \$129.00

19902 M-F 7/13-7/17 9 a.m. - 12 p.m. F142 Miller

NEW! The Magic of Disney

Crafts, games, activities, you name it, when you embark on a journey filled with magic. From superheroes, to princesses, to pirates, learn about the history, animation and different Disney movie genres in this class that brings the magic of Disney to a fun, colorful and creative classroom experience.

AGES 6 - 9

KOC674 | 15 hours | \$129.00

20026 M-F 7/6-7/10 1 p.m. - 4 p.m. H206 Weiland

Fantasy Art

Using illustration, comic book drawings, and 2-D art, build and design an environment, create a character with the intent to tell a story, and bring it to life. Perspective, scale, composition, design, and color will be studied in depth as you create a character or creature, and develop a frame of reference for it.

AGES 12 - 15

TOC173 | 15 hours | \$129.00

19895 M-F 7/13-7/17 1 p.m. - 4 p.m. F118 Tholen

Duct Tape Art

Uses for Duct Tape: fix a window ... fix a broken pipe ... sculpt a giant monster insect, create a dragon and a Samurai sword ... Surprised by the last three? That's not all! See how amazing and versatile a simple roll of duct tape can be! In this class we can sculpt anything from a practical wallet, to a bouquet of flowers, to a top hat, all with colorful duct tape. Each day will focus on a different project, beginning with simple construction, and progressing to more complex forms later in the week. Study the basics of sculpting - internal structure, proportion, and spatial connections, which can easily be translated into other sculpting mediums. And of course, you'll be using loads of imagination and creativity!

AGES 8 - 12

KOC555 | 15 hours | \$129.00

19889 M-F 7/20-7/24 9 a.m. - 12 p.m. F109 Clay

NEW! Arts & Crafts with Paper

Create papier mâché sculptures out of newspaper, use wax paper to press summer flowers, craft delicate tissue paper to create layered dreamscapes and design a self-portrait collage from colorful magazine pages. Fold, tear, glue. ... you got this!

AGES 10 - 14

TOC115 | 15 hours | \$129.00

19904 M-F 7/27-7/31 1 p.m. - 4 p.m. F118 Krantz

Creating Comics

Do you dream about monsters and aliens? Does your imagination work overtime creating dialogue for your characters and setting up action scenes? Can you picture yourself as a cartoonist? Learn to develop your characters, giving them personality and life. Have fun creating superheroes, monsters, aliens, or just regular kooky characters. Learn techniques in basic perspective, anatomy, facial expressions, panel composition, lettering, penciling, and inking. Understand how to lay out panels and get your ideas to flow. By the end of the week, you'll design, write, and draw your characters into one of many comic formats.

AGES 8 - 11

KOC391 | 15 hours | \$129.00

19978 M-F 7/6-7/10 1 p.m. - 4 p.m. H204 Tholen

19979 M-F 7/13-7/17 9 a.m. - 12 p.m. H204 Tholen

Easels On Campus

Discover landscape art! This is your chance to enjoy art in the outdoors. Learn techniques for creating a landscape through different mediums. You will be introduced to landscapes with a photo reference study. Later, we will set up easels near gardens and trees around campus for some real life experience. Through the use of graphite, charcoal, and soft pastels, you will learn how to compose a landscape, as well as various techniques to apply each medium.

AGES 10 - 15

KOC556 | 12 hours | \$109.00

19891 M-Th 6/29-7/2 1 p.m. - 4 p.m. F118 Clay

NEW! Adventures in Acrylic Painting

Create vibrant and beautiful landscapes, intriguing dragons, magnificent castles, or bold abstracts and florals in this creative hands-on class. Learn basic and artistic techniques as you paint with this colorful medium that cleans with water and dries in hours. Create pieces to proudly share with family and friends.

AGES 8 - 12

KOC654 | 15 hours | \$129.00

19881 M-F 7/6-7/10 9 a.m. - 12 p.m. F118 Tholen

NEW! Painting on Canvas

Paint, paint, canvas, paint, paint, brush! After learning a new painting technique each day, create a new piece of art to decorate your room or give to family or friends. No experience necessary but students MUST be willing to have fun!

AGES 8 - 12

KOC649 | 15 hours | \$139.00

19834 M-F 7/20-7/24 1 p.m. - 4 p.m. F118 Prah

Beginning Watercolor

Unlock the mystery of watercolor techniques like drawing, brushstrokes, using the correct brushes, and distinctive paper. Discover the power of the color wheel, and explore how to mix paint to create your own colors as you create graceful and colorful scenes from nature. This class introduces the basics of watercolor painting while encouraging students to explore and create.

AGES 9 - 12

KOC365 | 15 hours | \$129.00

19916 M-F 8/3-8/7 1 p.m. - 4 p.m. F118 McDermott

Sketching and Drawing for Beginners

Using Pencils, charcoal, and sketch pads, we will begin by using simple line techniques in order to create a realistic pencil drawing. We will gain inspiration by learning about famous sketch artists from past to present. Each student should bring a sketch book to class.

AGES 8 - 12

KOC366 | 15 hours | \$129.00

19914 M-F 7/6-7/10 1 p.m. - 4 p.m. F118 Prah
19917 M-F 8/10-8/14 9 a.m. - 12 p.m. F118 Nelson

Clayloving Teens

With the focus on hand building, learn the ancient techniques of slab, coil, and pinch pot methods to create one-of-a-kind functional and decorative clay pieces. Combining your imagination with the tools and materials provided, you'll build three-dimensional projects like bowls, vases, sculpture creatures, and Ugly Face pots. Students will be encouraged to work at their own pace. Items will be fired and ready for pick-up approximately four weeks after the end of the class, based on the college ceramic studio kiln availability.

AGES 12 - 15

TOC102 | 15 hours | \$129.00

19958 M-F 7/27-7/31 9 a.m. - 12 p.m. F118 Goad

Creative Clay Creations

Express yourself through clay as you create sculptures and functional pieces using centuries old slab, coil, and pinch pot methods. Combining your problem solving skills and imagination with tools and the materials provided, create one-of-a-kind pieces of art. Students will be encouraged to work at their own pace in this popular class. Items will be fired and ready for pick-up approximately four weeks after the end of the class, based on the college ceramic studio kiln availability.

AGES 9 - 12

KOC618 | 15 hours | \$129.00

19982 M-F 8/10-8/14 1 p.m. - 4 p.m. F118 Weiland

Pinch Pot Palooza

Create pots, creatures, or colorful cupcakes, the possibilities are endless using the pinch pot and coil methods of hand building. Students will be given a new challenge each day as they let their imaginations soar! Items will be fired and ready for pick-up approximately four weeks after the end of the class, based on the college ceramic studio kiln availability.

AGES 6 - 8

KOC617 | 15 hours | \$129.00

NEW! Theatricks Circus Experience

Run away and join the circus without actually leaving home! Juggling, plate spinning, and stilt walking are just a few of the circus techniques you will learn in this very hands-on, full-day, weeklong experience. Mark Lohr, head Theatricks coach, has been involved in circus performance and education for nearly 30 years and has toured the U.S. with the George Carden International Circus. In addition to his vast experience, he brings along his teenage and adult children who have grown up in the program and now teach and perform together in the family show, Laugh Out Lohr (LOL)! The week will wrap up with a culminating performance where students show off their hard work, new skills and hilarity to friends and family.

Note: This is full-day class. Price for this full day class includes Lunch Bunch Plus. See page 12 for more details.

Full-Day Classes

Delve into the world of videography or circus arts and immerse yourself in an artistic experience led by professionals in their field. This could be your calling!

These experiences are offered 9 a.m. - 4 p.m. with Lunch Bunch Plus included in the price.

Theatricks Circus Experience

Run away and join the circus without actually leaving home! Juggling, plate spinning, and stilt walking are just a few of the circus techniques you will learn in this very hands-on, full-day, weeklong experience. Mark Lohr, head Theatricks coach, has been involved in circus performance and education for nearly 30 years and has toured the U.S. with the George Carden International Circus. In addition to his vast experience, he brings along his teenage and adult children who have grown up in the program and now teach and perform together in the family show, Laugh Out Lohr (LOL)! The week will wrap up with a culminating performance where students show off their hard work, new skills and hilarity to friends and family.

Note: Price for this full day class includes Lunch Bunch Plus.

MINECRAFT: Architecture - Seven Wonders Of The World

Combining the open world of Minecraft with the versatility of LEGOs®, students will learn about various types of architectural wonder. From the Great Wall of China, to the Empire State Building, students will study about the architects who helped to create these masterpieces of craftsmanship, and then build their own. Students will begin by exploring building designs, and then use the computer to recreate them using Minecraft and LEGOs®. Combining what they have learned with their imaginations, they will create their own architectural marvels, focusing on their own Wonder of the World.

Video Game Design I: Level Design

Video games are an emerging art form that combines writing, cinematography, painting, and programming into one medium. Have you ever thought about designing your own game? In this course, you will work with the same software used to create some of the biggest selling and highest rated games on the market today. In this introductory course, students will learn the basics of using the software, and through a focus on level design, students will become proficient at using the major tools in Unreal Engine.

Safe Sitter Babysitting Training

Good babysitters are always in demand! Safe Sitters gain the skills needed to do the job well and earn parents' trust. Students who complete the medically-accurate, up-to-date program gain confidence and learn how, why, and where injuries can happen so they can be prevented. They are taught how a child's age affects how to care for them and how to deal with problem behavior. Students also learn how to perform infant and child choking rescue, and they even learn CPR. Included are pointers on safety for the sitter as well, and to how to deal with uncomfortable and potentially dangerous situations. Certificate awarded at the conclusion of class.

Language Sampler

Let Señor Chris and his friends introduce you to five different languages in one week! Each day will focus on one particular language and will utilize themes, songs, crafts and games specific to that language. The languages include Spanish, Braille, French, American Sign Language (ASL), and Chinese. By the end of the week you'll have an introductory exposure to the languages and cultures, be able to identify basic colors, count to ten, speak greetings and farewells and, in the cases of Chinese and ASL, write or spell your name using special characters. Our multi-cultural party on the last day (parents are invited) will be a performance of songs and dances, sharing of arts and crafts projects and some tasty treats from all our countries. Classes will be taught by native or near-native speakers. Class size is limited to 12 students.

AGES 6 - 8

19945 M-F 7/27-7/31 9 a.m. - 12 p.m. H206 Lewis

Jump WRITE In

Create books from concept to completion. Discover your special skills using imagination, observation, and all of your senses. Through creative, hands-on activities, we will practice the writing process to help you fully develop imaginative characters, settings, and plots. Create poetry, short stories, novellas, or journals. Use your ideas as building blocks for fiction, nonfiction, poetry, and more ... then combine your work with exciting design elements, interpreting your written words into a total visualization of a personalized journal or book. Let your imagination be your guide, as the possibilities are endless!

NEW! Board Game Designs That Won't Make You Bored!

From Tic Tac Toe to Jumanji, board games provide a chance to socialize with friends and learn new skills and facts. Explore one-to-one games as well as multi-player games before creating your own game to share with the class. Not only are board games fun to play, they're about developing strategy, exercising thinking skills, following directions and learning trivia and academic facts. Use your imagination to design and build a game that is sure to bring your family and friends to the table, the game table that is!

Rube Goldberg Machine: A Crazy Solution to a Simple Task

Who is Rube Goldberg? What are Simple Machines? This class is all about the wonderfully wacky inspirations of Rube Goldberg- an inventor, cartoonist, and engineer of wild motion machines named after him. The sole purpose of these machines is to accomplish a simple job through multiple bizarre steps. Student inventors will work in small teams to design and create their own Rube Goldberg-style inventions, which will sharpen their skills in physics, creativity, and humor. Students will be challenged to create Rube Goldberg inventions (a series of simple machines that accomplish a simple task) using familiar and found objects such as ramps, rope, tubes, weights, balls, funnels, recyclables, and most importantly, lots of Duct tape. This class is dedicated to exploration, design, and fun with activities including the construction of massive domino chains, creating your own machines, and trying to build a better mousetrap. If you like drawing, art, engineering, and antics, this is the class that will keep your imagination in perpetual motion.

Middle School Math

Middle school is right around the corner, and this is your chance to get a jump start on 6th or 7th grade math. Be two steps ahead or more, who's counting (well, you are), after you take advantage of this enjoyable and practice-filled math experience that will prepare you for the upcoming year in math class. Through math games, group activities, and individual study, learn about rational numbers, ratios and proportions, statistics and probability, expressions, equations, and more. This class helps prepare for the new common core curriculum for FCPS students, but is beneficial for home school students as well.

Note: This class is intended for students going into 5th grade accelerated math, or 6th or 7th grade math classes, and is not intended for elementary students who are not going into accelerated math.

AGES 10 - 12

TOC148 | 15 hour | \$119.00

19991 M-F 7/27-7/31 1 p.m. - 4 p.m. H204 Wolfe
19993 M-F 8/3-8/7 9 a.m. - 12 p.m. H208 Wolfe

Get Ready for Algebra

Prepare for the common core curriculum, and become competitive with students nationally by taking this class. Depending upon your math experience, in this class you'll either get a great review of what you've already learned, or catch a preview and start to grasp hold of the FCPS Algebra curriculum. This class will be divided equally between math games, group activities, and individual study in an entertaining atmosphere. Learn about equations, linear relationships, patterns and functions, quadratic functions, exponential functions, and more. This is not your typical math class experience ... so much better, so much more fun!

Note: This class is designed for students entering 8th grade Accelerated Math, or 9th grade students entering Algebra, and is not designed for elementary students.

SUMMERS AT MONROE

Middle and high school teens (grades 6 - 10) are invited to explore future career interests at the Monroe Center! Get ready to master 3-D design, cook with professional chefs, gain real-world carpentry skills, dig into horticulture careers, and more!

The Monroe Center

Home to the Frederick Community College Culinary Arts & Hospitality Institute as well as construction and trades, business and technology, and healthcare career training programs, the Monroe Center is the largest workforce training facility in Maryland.

Teens taking classes this summer will meet Monday through Friday mornings from 9:00 a.m. to 12:00 p.m. in fully-equipped labs at the Monroe Center to participate in supervised, career-oriented activities in a safe hands-on learning environment.

Class Location

All Summers at Monroe classes will be held at the Monroe Center. Directional signs for classes will be placed in the lobby entrance.

Important Note

All students who participate in classes at the Monroe Center must sign a waiver at frederick.edu/TAM. Waiver MUST be signed before the student can participate in classroom activities.

NEW! Teens in the Kitchen: Celebrate America*

From whoopie pies to tostada's to buttermilk biscuits, cook your way across the United States in this hands-on cooking class that is sure to please your palate. Make traditional regional food from all corners of the country as you virtually tour America from sea to shining sea.

TAM119 | 12 hours | \$124.00

20054 M-Th 6/29-7/2 9 a.m. - 12 p.m. MC118 Huston

NEW! Teens in the Kitchen: Awesome Appetizers and Sensational Snacks*

Move over main course dishes! Healthy and delicious appetizers and snacks are what it's all about. From dips and homemade chips to eye catching hors d'oeuvres, craft delightful finger foods and wholesome midnight snacks. Taste sensation plus presentation combine to create a treat for your eyes and taste buds in this fun filled cooking class.

TAM118 | 15 hours | \$149.00

20055 M-F 7/6-7/10 9 a.m. - 12 p.m. MC118 Hoff

Teens in the Kitchen: International Flair*

From tacos to pasta, discover a delicious bit of culture when you bring the world into the kitchen. This class is a food lover's dream trip and you don't even have to leave the country. Create staple as well as unique dishes representing the cuisine of different cultures. Young chefs will be inspired as they explore the fundamentals of cooking techniques.

TAM101 | 15 hours | \$149.00

20056 M-F 7/13-7/17 9 a.m. - 12 p.m. MC118 Hoff

Teens in the Kitchen: Breakfast and Brunch*

Stuffed French toast! Need we say more? Create delicious breakfast and brunch dishes that include quiche, potatoes, eggs benedict, waffles and other delectable delights. Learn about cooking vocabulary, techniques, tools, nutrition, basic kitchen etiquette and safety in this class that is sure to spike your cooking curiosity.

TAM100 | 15 hours | \$149.00

20057 M-F 7/20-7/24 9 a.m. - 12 p.m. MC118 Miller

Teens in the Kitchen: Delectable Desserts*

Drop cookies, cut cookies, bar cookies, brownies, cake, and pie - Oh my! Not only will you create delightful desserts but you'll complete their awesomeness with decorating and piping. Young chefs will experiment with simple yet sophisticated recipes as they explore the many aspects of cooking and baking, and will be extremely popular among family and friends!

TAM102 | 15 hours | \$149.00

20059 M-F 7/27-7/31 9 a.m. - 12 p.m. MC118 Miller

.....

***Note for all Teens in the Kitchen classes:** Due to safety, the following rules MUST be adhered to. Shirt with sleeves required. Shoulders MUST be covered/ no tank tops. Long hair must be pulled back. Long pants are required. Sneakers or closed toe shoes only/no sandals. Wear clothes that can get dirty.

Woodworking for Teens

Students will be introduced to basic woodworking techniques and tools. Building projects like bluebird houses, picture frames and sunglass holders, students will not only learn traditional hand skills, but will also experience using small power tools in a well-equipped and safe classroom space.

TAM104 | 15 hours | \$149.00

20061 M-F 7/6-7/10 9 a.m. - 12 p.m. MC144 Gruber

NEW! Woodworking II for Teens

Students with some experience in woodworking will expand their knowledge of basic woodworking techniques and tools. Using small hand tools in a well-equipped and safe classroom space, students will create floating shelves, side tables and a planter box.

TAM114 | 15 hours | \$149.00

20063 M-F 7/27-7/31 9 a.m. - 12 p.m. MC144 Gruber

NEW! Small Engine Technology

Discover the basic knowledge and skills needed in the operation and repair of two and four stroke small engines in this hands-on class. By disassembling and repairing engines, students will be able to analyze the operational principles of small engines and develop an understanding of what makes engines work. Develop safe working habits as well as a basic understanding of tools and repair procedures in this class that will really get you going!

TAM115 | 15 hours | \$139.00

20068 M-F 7/27-7/31 9 a.m. - 12 p.m. MC129 Harrington

NEW! Makerspace Creations: Design and Construction

Explore the principles of design, prototyping and making when you use a variety of flat materials and critical thinking skills to solve challenges and build designs. Learn the foundations of technical drawing while designing on 3-D drawing software and building a project like a customized phone stand. Learn the software and practice the skills that engineers use on a daily basis.

TAM116 | 12 hours | \$109.00

20064 M-Th 6/29-7/2 9 a.m. - 12 p.m. MC135 Miles

Makerspace Creations: Laser Cut Robotics

If robots get your attention, you'll love this class. Utilize online drawing software to develop a hydraulic arm, and then work in a group to compete against others. Can your team create a robotic arm that can move from side-to-side, up and down, or in a claw like motion? Compete against other teams to see who can stack three different sized cubes the fastest! Learn the foundations of technical drawing while using 3-D drawing software to develop the skills that engineers use on a daily basis.

TAM107 | 15 hours | \$139.00

20065 M-F 7/13-7/17 9 a.m. - 12 p.m. MC135 Miles

Makerspace Creations: Jewelry

Create one-of-a-kind art pieces that are uniquely your own. Students will use 3-D drawing software to develop their own designs and bring them to life using 3-D printers, laser cutter, and machines. Craft funky, artistic, distinctive jewelry while learning about 3-D software and developing fundamental and creative engineering skills.

TAM108 | 15 hours | \$139.00

20066 M-F 7/20-7/24 9 a.m. - 12 p.m. MC135 Miles

Floral Design for Beginners

Take home boutonnieres, corsages, body flowers, bows, and small arrangements, all created by you. Discover key design elements and techniques when using fresh and silk materials. Silk material projects would make great entries for the Frederick Fair or other local community shows. Cost includes \$40 supply fee for fresh and silk flower projects that you will take home at the end of class.

TAM113 | 12 hours | \$139.00

20060 M-Th 6/29-7/2 9 a.m. - 12 p.m. MC144 Herndon

NEW! Get Your Hands Dirty, Inside and Out

Design a vegetable garden that fits your outside space and propagate houseplants to enrich your inside space. This hands-on class is all about those lovely plants, green and colorful, that provide shade, shelter, sustenance, beauty, medicine oxygen, and more. Start vegetable plants to take home and plant for the fall and create your own succulent designs to enhance your bedroom. If you like to play in the dirt, this class is for you!

TAM117 | 15 hours | \$139.00

20067 M-F 7/6-7/10 9 a.m. - 12 p.m. MC129 Herndon

Grow It! Hydroponics and Composting

Grow big, healthy, juicy plants using nature's way of recycling. Hydroponics and composting are simple once you understand the basics and in this hands-on class you'll learn how they can be used to grow healthy food for you and your family.

TAM109 | 15 hours | \$129.00

20062 M-F 7/20-7/24 9 a.m. - 12 p.m. MC144 Stonebraker

» All Summers at Monroe classes will be held at the Monroe Center, located at:
200 Monroe Avenue • Frederick, MD 21701

Lunch Bunch

A staff-supervised lunch program, Lunch Bunch (Bring Your Own Lunch) and Lunch Bunch Plus (FCC Provides Lunch*) takes place from 12:00 - 1:00 p.m. daily in the Cougar Grille (Student Center, H Building).

Program Options

Students registered for only morning or afternoon classes are welcome to register for and attend Lunch Bunch as well. Morning students attending Lunch Bunch must be picked up and signed out at 1 p.m. in the Cougar Grille. Afternoon students attending Lunch Bunch must be dropped off by noon in the Conference Center (E101). Program staff will accompany them to lunch.

Program Requirements

Students registered for both morning and afternoon classes on the same day are required to sign up for a Lunch Bunch program. These students are accompanied by our staff from their morning programs to Lunch Bunch and then to their afternoon programs after lunch. No students may be on campus unsupervised between classes.

Important Note

Lunch Bunch is NOT a drop-in program. Participants must be registered in advance for the appropriate date and section. While we kindly ask participants to not bring peanut or nut products to campus, the College does not guarantee an allergen-free environment.

**FCC provides a complete, healthy and delicious lunch each day.*

Bring Your Own Lunch Note: If bringing lunch, do not pack food or drink that require refrigeration. Please avoid items that could melt and/or perish in the hot weather.

General Program Information

Students learn more when they have the opportunity to discover and explore exciting topics in a fun, hands-on environment. That's where we come in. We provide expert instruction, a safe environment, and all the supplies for a fun-filled summer of learning. To ensure everyone enjoys their time at Frederick Community College, we ask that you please read through the following Youth Programs rules and guidelines.

FCC Alert

We strongly encourage parents to sign up for FCC Alert in order to receive timely information regarding College closures, emergencies, etc. To sign up go to frederick.edu and search FCC Alert.

Attendance/Dismissal

Attendance is taken daily. Students **MUST** be signed in and signed out of classes by their parent or guardian. Parents should bring their child to the class no earlier than 10 minutes prior to the start of the class. There is no supervision prior to this time. **Parents must take full responsibility for their child's behavior and safety.** At dismissal, students will be supervised until picked up. Please be prompt! If you are going to be late, please call us at 301.846.2661 to let us know.

We understand parents may have more than one child on campus at the same time. Students not picked up by 12:15 p.m. (for morning classes) or 4:15 p.m. (for afternoon classes) will be escorted to the Conference Center (Building E) to await pickup.

The Monroe Center

Frederick Community College's Monroe Center is located at 200 Monroe Avenue, Frederick, MD 21701. Directional signs will be placed in the lobby entrance.

Students registered for classes at the Monroe Center may arrive at 8:30 a.m. and must be picked up no later than 12:30 p.m.

All students who participate in classes at the Monroe Center must sign a waiver at frederick.edu/TAM.

Waiver **MUST** be signed before the student can participate in classroom activities.

Pick Up/Drop Off and Sign In/Out Procedures

Students ages 6 to 12

- Children must be signed in and out from their classroom by an authorized adult.
- Children attending both morning and afternoon programs on the same day will be checked out of morning and into afternoon classes by a program staff member.
- The college will only release your child to those listed as "authorized" on the Youth Programs Student Information Form.

Teen Students age 13 and over

- With a signed Self Sign Out Form on file, teens may sign themselves out.
- Self Sign Out Forms are available by contacting youthprograms@frederick.edu, by calling 301.846.2661, or in the classroom.
- Without a signed Self Sign Out Form on file, teens must be signed out of class by an authorized adult. *Please see procedure for students ages 6 to 12.*

LUNCH BUNCH:

Pick Up/Drop Off and Sign In/Out Procedures

A staff-supervised lunchtime program, Lunch Bunch (Bring Your Own Lunch) and Lunch Bunch Plus (FCC Provides Lunch) takes place from 12 - 1 p.m. daily in the Cougar Grille (H Building, Student Center).

Program Requirements

Students registered for both morning and afternoon classes on the same day are required to sign up for Lunch Bunch. No student may be unsupervised on campus between classes. Students are accompanied by our staff from their morning class to Lunch Bunch, and then to their afternoon class.

General Program Information continued →

General Program Information cont...

LUNCH BUNCH cont...

Program Options

Students registered for only morning or afternoon classes are welcome to register for and attend Lunch Bunch as well. Morning students attending Lunch Bunch must be picked up and signed out at 1 p.m. in the Cougar Grille (H Building, Student Center). Afternoon students attending Lunch Bunch must be dropped off by noon in the Youth Program Office, located in the Conference Center, E101. Program staff will accompany them to lunch.

Important Note

Lunch Bunch is NOT a drop-in program. Students must be registered in advance for this program. *See page 24 for dates and details.*

Cell Phone Usage

Cell phones must remain off during class session. If you need to reach your child while class is in session, please call our office at 301.846.2661 and a message will be immediately delivered to your child. Electronic devices and cell phones may not be used during class hours without instructor permission. FCC is not responsible for lost, broken or missing items.

Youth Programs Student Information Form

Required for all courses and must be completed before a child can participate in a program, this form is completed online as a part of the registration process. If, for any reason a form is not on file for your child, one will be provided at the beginning of the first day of class to be completed and signed by an authorized guardian before leaving the child.

Student Safety

Everyone's safety is our top priority. All FCC faculty and staff undergo background checks as required by state law. Children are closely supervised and are escorted by program staff to and from all activities. Parents/guardians are required to sign their child in and out of class each day.

Food Allergies

FCC provides nut-free snacks and lunches during summer programs. We kindly ask students, parents and guardians to not bring peanut or nut products to campus. Please note, however, the college does not guarantee an allergen-free environment.

Medications & Emergencies

FCC staff are not authorized to administer any non-emergency medication (prescription or non-prescription) to students. Emergency medications can be administered by FCC staff with written authorization from a physician and parent/guardian. Emergency medication includes a rescue inhaler or epi-pen.

Written authorization from a physician and parent/guardian is required for students who need to carry an epi-pen or rescue inhaler while on campus. **The required form is available at frederick.edu/youth.** Please call 301.846.2661 or email youthprograms@frederick.edu if you have any questions. In the event that the provided epi-pen or inhaler is needed a trained staff member will administer.

In emergencies requiring immediate medical attention, your child will be taken to the nearest hospital emergency room. Your signature on the Youth Programs Student Information Form authorizes the responsible person at Frederick Community College to have your child transported to that hospital.

Medical Treatment

Staff take all reasonable measures to ensure the safety of the children in the Kids & Teens on Campus program and provide appropriate supervision at all times. Scraped knees, nosebleeds, bee stings, and other injuries occasionally happen. Program staff will follow the State regulations for minor injuries. The regulations state that staff can treat injuries with soap, water, ice and bandages. If a child is injured or feeling ill, program staff will bring the individual to the Youth Program Office for treatment and/or a short observation. All incidents are logged in the KOC/TOC health log and parents will be notified describing the minor injury and treatment.

If a child feels ill, staff will assess the situation and determine if the child can return to class or should leave for the day. If the child needs to leave class because of illness or more serious injury, the parent will be notified and is expected to pick up their

child immediately. If FCC or program staff deem a situation an emergency, staff will immediately call 911 for medical assistance and/or transport, then notify the parent as quickly as possible.

Special Accommodations

Frederick Community College makes every effort to accommodate individuals with disabilities for College-sponsored events and programs. If you have accommodation needs or questions, please call 301.846.2408. To request a sign language interpreter, please visit <http://fcc-interpreting.genbook.com>. If you have interpreting related questions, please email Interpreting@frederick.edu. Sign language interpreters will not be automatically provided for College-sponsored events without a request for services. To guarantee accommodations, requests must be made at least five workdays in advance of a scheduled event.

Money

Please do not provide money for your child to spend at FCC. Students will not have opportunity to purchase food or other items on their own while on campus.

Marketing/Campus Photography

As Frederick Community College is a public institution, students, employees and visitors may be photographed or videotaped and appear in marketing materials without prior permission. To that degree, children may be photographed or videotaped while at FCC. If you wish to have your child(ren) excluded from these activities, please indicate this request on the Youth Programs Student Information Form.

Cancellation Policy

Students who choose to drop a class will receive a full refund provided that the request is received by the CEWD Registration Office the Monday prior to the start date of the class being dropped. Students may withdraw from a class by emailing the CEWD Registration Office at CERequest@frederick.edu or by completing a class drop form in the CEWD Registration Office located on the first floor of Jefferson Hall. Email requests must be submitted from the email account on file. Requests for drops or refunds left on voicemail will not be processed. Refunds will not be made for non-attendance.

Students requesting a refund for a dropped class outside of the full refund period must make the request in writing to the Associate Vice President of CEWD, and be accompanied by documentation supporting the student's request. Appropriate documentation may include electronic or hard-copy documents from medical providers, employers, child care providers, or others that can validate extenuating circumstances. The College reserves the right to approve or disapprove full or partial refund requests that are submitted outside of the full refund period.

Contact the CEWD Registration Office with questions at 301.624.2888.

Discipline Policy

Children are expected to behave in a friendly, cooperative manner toward fellow classmates, instructors, assistants and FCC staff. FCC reserves the right to dismiss any child displaying excessive poor behavior that might jeopardize his/her own or the safety, experience or welfare of others. Refunds are not issued for children dismissed from a program for disciplinary purposes.

FCPS Disclaimer

These materials are neither sponsored by nor endorsed by the Board of Education of Frederick County, the superintendent, or any FCPS school.

Registration

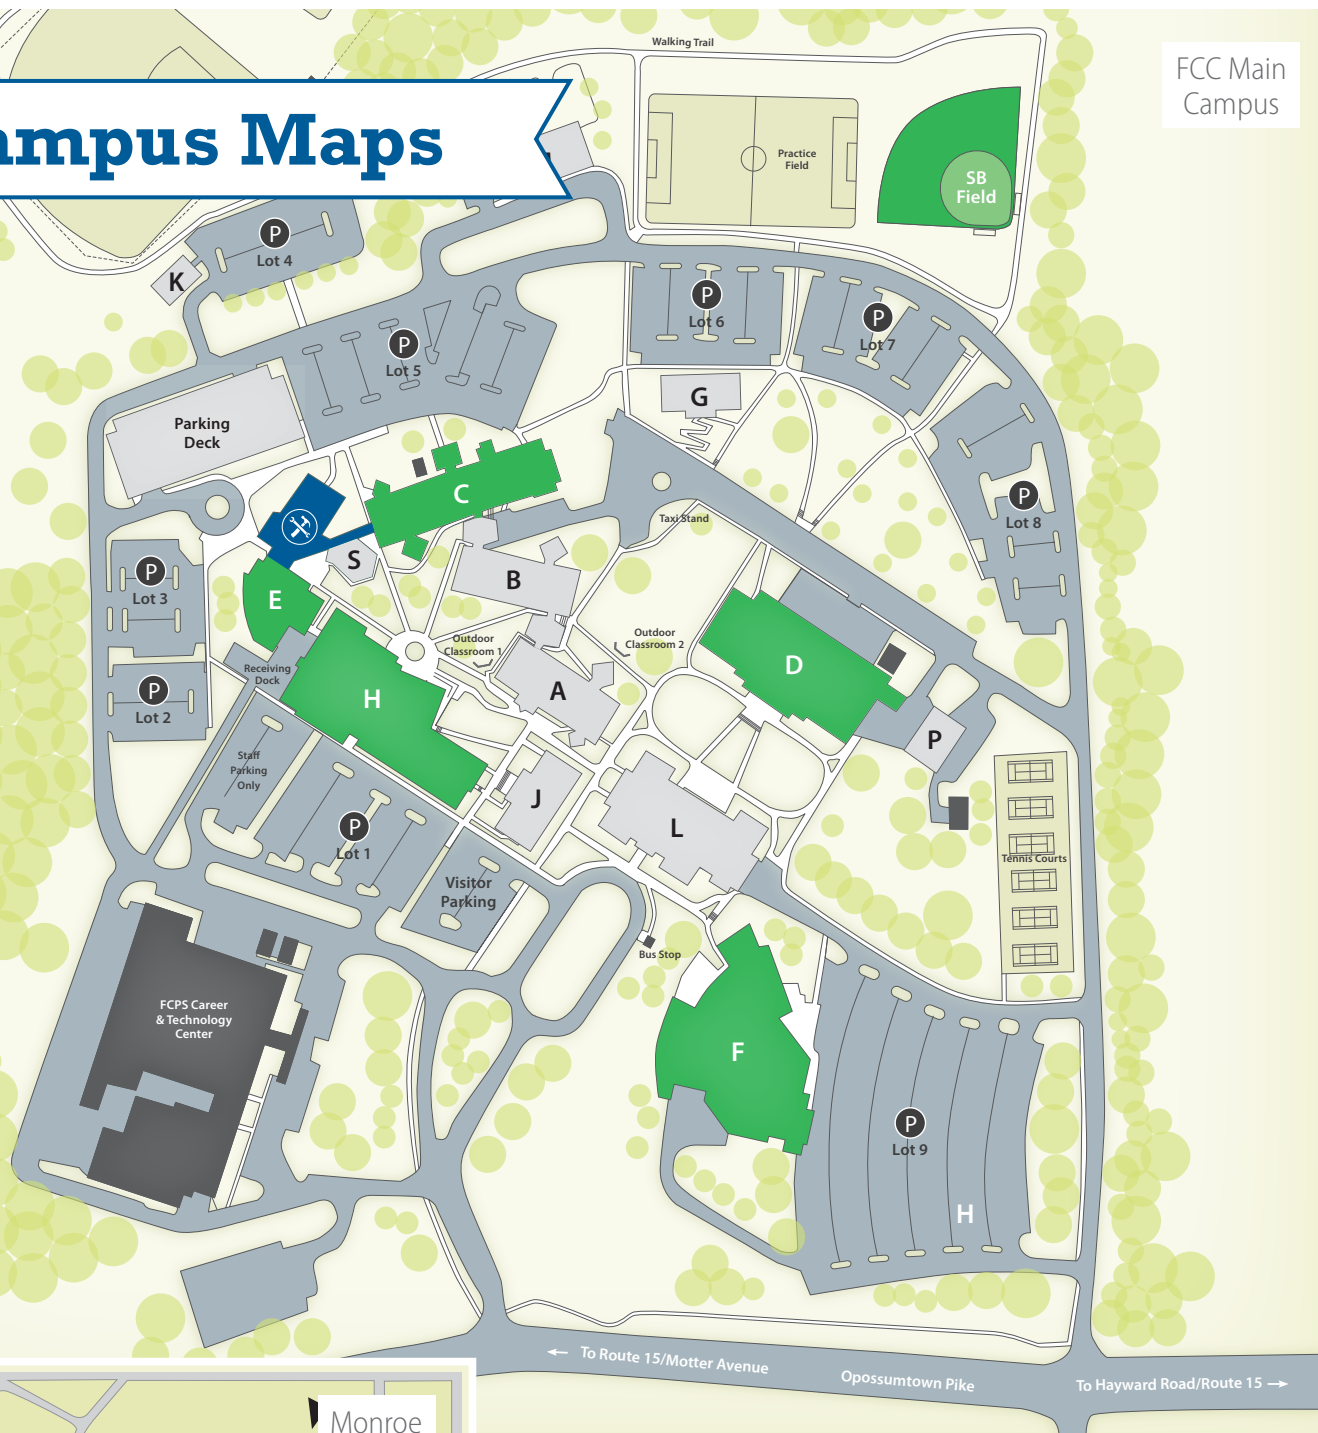

Register online at frederick.edu/QuickEnroll. If you need assistance registering, contact CEWD Registration by phone at 301.624.2888, via email at cerequest@frederick.edu, or visit our registration office in Jefferson Hall.

Class Locations

Class locations are subject to change. Please visit frederick.edu/QuickEnroll to confirm your class location. *For additional location information, please review the campus renovation notice on page 29.*

Class Locations & Renovations

Renovations are underway as our campus continues to grow.

Kids & Teens on Campus class locations have been impacted by these renovations. Please verify your class location before arriving on campus.

Programs will be held in locations including but not limited to the Student Center (H Building) as well as the Visual & Performing Arts Center (F Building), the Conference Center (E Building), and the Monroe Center.

The adjacent map has been provided to assist parents and guardians with locating classrooms (see class descriptions or receipt for exact classroom numbers) and determining the best place to park. Additionally, our staff will be at the building locations to help guide anyone needing further assistance in locating a classroom.

*Class locations are subject to change.
Contact 301.846.2661 with any questions.*
