Transferable Courses The schools represented here are only a small sample of transfer options. Many more transferable FCC courses are available through Open Campus Dual Enrollment. Information is subject to change, and students should use this map in consultation with an advisor and <u>ARTSYS</u> (the state-wide online transfer system). Information about how entire FCC degree programs transfer is available at <u>www.frederick.edu</u> on each program page.

Pathway Notes * must earn a grade of "C" or higher in this course for transfer ** BSCI 150 alone is equivalent to a Gen Ed Lab Science; BSCI 150 and 160 are equivalent to BIOL 210

Reverse Transfer FCC students who transfer to another school may transfer credits back to FCC from that school to fulfill FCC associate degree requirements.
