Note: Grade requirements are per course and not cumulative. Credit awards are subject to change based on revisions to College curriculum. Credit may not be transferrable to other institutions. Please speak with transfer institution regarding transferability.

Certain criteria required. FCC will award college credit to students who have enrolled in at least one FCC course after graduating from an FCPS high school and after the FCC Registrar receives an official high school transcript with graduation date noted. Students must be degree or certificate seeking at FCC and will not be awarded credit if they still have a dual enrollment or open campus designation. Students must initiate the request for credit within two years of their graduation from an FCPS high school.
