The aggregate data collection categories used by IPEDS under the new 1997 race/ethnicity standards continue to require the distinction of U.S. citizens "group" from nonresident aliens (or foreign) for both students and staff. Under IPEDS and State definitions the U.S. citizens "group" is defined as:

• **U.S. citizens "group":** Consists of U.S citizens, U.S. nationals, resident aliens and other eligible (for financial aid purposes) non-citizens who are not citizens or nationals of the United States and who have been admitted as legal immigrants for the purpose of obtaining permanent resident alien status (and who hold either an alien registration card (Form I-551 or I-151), a Temporary Resident Card (Form I-688), or an Arrival-Departure Record (Form I-94) with a notation that conveys legal immigrant status such as Section 207 Refugee, Section 208 Asylee, Conditional Entrant Parolee or Cuban-Haitian) are to be reported in the appropriate racial/ethnic categories along with United States citizens.

• **Resident alien (or other eligible non-citizens):** A person who is not a citizen or national of the United States and who have been admitted as legal immigrants for the purpose of obtaining permanent resident alien status (and who hold either an alien registration card (Form I-551 or I-151), a Temporary Resident Card (Form I-688), or an Arrival-Departure Record (Form I-94) with a notation that conveys legal immigrant status such as Section 207 Refugee, Section 208 Asylee, Conditional Entrant Parolee or Cuban-Haitian).

• **U.S. national:** A native of American Samoa or Swain's Island.

• **Nonresident alien:** A person who is not a citizen or national of the United States who is in this country on a visa or temporary basis and does not have the right to remain indefinitely
