QUESTIONS?

What kinds of money might I receive?

The most common type of money BankMobile disburses to students are funds left over from financial aid awards, loans or grants after tuition has been paid. Students receiving these funds have usually requested this additional support to help with books and living expenses. Other types of money may include reimbursement for tuition overpayment or a dropped class. BankMobile uses the term “refund” but FCC may have another name for these funds, such as a disbursement, residual or a stipend.

How will I get a Personal Code?

There are multiple ways you can get a code:

MAIL: Look out for the green envelope, your code will be sent to the address you have on file with FCC.

EMAIL: BankMobile will send you an email with your code.

ON DEMAND: Visit refundselection.com and click on the **Need A Code?** link.

You may use any personal code assigned to you to make your refund preference selection.

How is my money delivered?

Delivery of refund money is a multi-step process. First, FCC draws funds from the respective loan and/or grant provider and applies it to your student account. Once this information is verified, it is sent to BankMobile. Once the specific refund information is received, it is processed and disbursed according to your selection.

Can I change my preference for receiving money?

Yes. Just log in to RefundSelection.com and select **Refund Preferences** from the **Refunds**

menu option. Once on the page, make your new selection and click the **Update Preference** button to complete the process. Be aware that your new selection will only affect future money you receive from FCC.

How will I know when my money has been sent?

BankMobile will send you an email to the address you entered during setup or you can view the status of your refund online at RefundSelection.com. You can also sign up for mobile alerts¹. An alert will be sent each time the status of your refund changes. These alerts are sent real-time to provide you with the most up to the minute information regarding your refunds. To sign up, select **Mobile Alerts** from the **User Profile** menu option.
