\*Data is aligned with the 2018 MHEC reporting on [Retention, Graduation, Transfer Rates:](https://mhec.maryland.gov/publications/Documents/Research/AnnualReports/2018RetGradTrans.pdf)

<https://mhec.maryland.gov/publications/Documents/Research/AnnualReports/2018RetGradTrans.pdf>

\*\* "First Time, Full Time" students are those who upon initial enrollment at FCC, choose HCTI as their major in the Fall semester, AND are enrolled in at least 12 credits.

Since this data excludes students who have *changed their major* to HCTI, part-time students and students who started in the Spring semester, these graduate numbers are lower than the actual # of total culinary arts graduates in order to calculate graduation rates in a manner that is consistent with MHEC reporting.

\*\*\* Graduation rates for 3 years are cumulative, including those that graduated in 2 years

\*\*\* Graduation rates for 4 years are cumulative, including those that graduated in 2 and 3 years
