

B114 equipped with a computer, dual monitors, a projector, and an A/V control system with sound. The projection surface is a wall mounted projection white board which can be written on with dry erase marker.

The PC is located in the instructor console. The PC will log in automatically.

- If the PC screen is blank move the mouse to wake it up. If it does not respond, press the power button located on the front of the computer.
- If the computer is locked or requires a log in, the username is B114-00 and the password should be left blank.

The A/V controller for projector power, volume, and input sources is located on the wall to the left of the instructor console.

If you wish to connect other devices to project to the projection surface, use the cables on top of the console and press the corresponding button on the A/V controller.

An Apple TV is located in the instructor console.

Please check with your office manager about the location of the remote.

The DVD player is located in the PC.

If you require any software or hardware that is not currently installed in this classroom, please contact your Office Manager.
