

Welcome to **E105**. This classroom is equipped with a PC, monitor an Apple TV, a DVD/VCR, a ceiling mounted projector with sound, and an audio video control system. The projector surface is a motorized screen.

The computer is mounted on an arm on the instructor console

- If the computer screen is blank move the mouse to wake it up. If it does not respond, press the power button located on the side of the monitor.
- Log in by typing fcc\ followed by your network name and password.
- REMEMBER TO LOG OUT WHEN YOU ARE FINISHED.
- The DVD/VCR is located in the instructor console.

The Apple TV is mounted above the projector. Please check with your office manager about the location of the remote.

To project your iOS device (such as an iPad or iPhone) using Air Play, you must first connect to the Instructional wireless network. Please contact the IT Service Desk for access to this network. When you connect your device, you will be prompted to enter the code that displays on the screen.

Buttons to control the projector power, volume, and input sources are located on the wall to the right of the instructor console.

If you wish to connect other devices to project on the screen, use the cables on the console and press the corresponding button on the A/V control.

Buttons to control the screen are located on the wall next to the instructor workstation.

If you require any software or hardware that is not currently installed in this classroom, please contact your Office Manager.
