

E-124A is equipped with a computer, projector, and A/V control system with sound.
The projection surface can be written on using a dry erase marker.

The **computer** is located on the adjustable arm mounted on top of the console.

- If the computer screen is blank, move the mouse to wake it up. If it does not respond, press the power button located on the computer.
- Log in by typing fcc\ followed by your network name and password.
- REMEMBER TO LOG OUT WHEN YOU ARE FINISHED.

The A/V controller for projector power, volume and input source are located on the wall to the right of the instructor console.

If you wish to connect other devices to project to the projection screen use the cables on top of the console and press the corresponding button on the A/V controller.

A Mini DisplayPort for **Laptop** and an HDMI cable have been provided.
