Here are a few ways to get free Cash App money:

- Use a referral code. When you sign up for Cash App, you can enter a referral code from a friend or family member to get a free sign-up bonus. This bonus can range from \$5 to \$15, depending on the current promotion.
- Complete surveys and offers. There are a number of websites and apps that offer rewards for completing surveys and offers. These rewards can often be redeemed for Cash App money.
- Use a cashback app. Cashback apps like Rakuten and Ibotta give you money back on purchases you make at certain retailers. This money can be redeemed for Cash App money, or other rewards.
- Play games. There are a number of games that allow you to earn Cash App money. Some of these games are free to play, while others require a small upfront investment.
- Sell your stuff. If you have unwanted items lying around, you can sell them online or at a garage sale and use the proceeds to fund your Cash App account.

Here are some more specific tips on how to get free Cash App money:

- Use a Cash App referral code. When you sign up for Cash App, you can enter a referral code from a friend or family member to get a free sign-up bonus. This bonus can range from \$5 to \$15, depending on the current promotion. To find a referral code, simply ask a friend or family member who already uses Cash App. You can also find referral codes online, but be sure to only use codes from trusted sources.
- Complete surveys and offers. There are a number of websites and apps that offer rewards for completing surveys and offers. These rewards can often be redeemed for Cash App money. Some popular websites and apps for completing surveys and offers include: o Swagbucks o InboxDollars o Survey Junkie o PrizeRebel o MyPoints
- Use a cashback app. Cashback apps like Rakuten and Ibotta give you money back on purchases you make at certain retailers. This money can be redeemed for Cash App money, or other rewards. To use a cashback app, simply create an account and then shop at your favorite retailers through the app. You'll earn cashback on every purchase you make.
- Play games. There are a number of games that allow you to earn Cash App money. Some of these games are free to play, while others require a small upfront investment. Some popular games that allow you to earn Cash App money include: o Coin Master o Lucky Day o Money Tree o Lucky Miner o Solitaire Cube
- Sell your stuff. If you have unwanted items lying around, you can sell them online or at a garage sale and use the proceeds to fund your Cash App account. Some popular websites and apps for selling unwanted items include: o eBay o Craigslist o Facebook Marketplace o Poshmark o Decluttr

It's important to note that there is no such thing as a free lunch. If you're looking to get free Cash App money, you'll need to put in some effort. However, the effort you put in can be well worth it, especially if you're able to find ways to earn a significant amount of money. Here are some additional tips for getting free Cash App money:

- Be patient. It takes time and effort to earn free Cash App money. Don't expect to get rich quick.
- Be consistent. The more time and effort you put into earning free Cash App money, the more money you'll make.
- Be selective. Not all ways to get free Cash App money are created equal. Some methods are more time-consuming than others, and some methods may not even be worth your time. Be selective about the methods you choose and only focus on the ones that are most profitable for you.
- Be careful. There are a number of scams out there that promise free Cash App money. Be careful not to fall for these scams. Only use trusted methods to earn free Cash App money. With a little effort, you can easily earn free Cash App money. Just remember to be patient, consistent, and selective
