Code of Student Conduct Policy and Procedures

I. Philosophy and Purpose

The Code of Student Conduct is designed to promote responsible behavior for all students consistent with the mission and values of Frederick Community College (“FCC” or the “College”). This Code defines behavioral rights and responsibilities within the College community so that everyone can attain their academic, social, and personal goals. As members of the College community, students are encouraged to value the pursuit of knowledge borne in an attitude of intellectual and artistic freedom, diversity and inclusion, responsibility to the community and the environment, ethical conduct, mutual respect, and civility. Each student is subject to federal and state laws, county, and municipal ordinances, and all policies, procedures, rules, and regulations of the College. Students are to act responsibly and respect the rights of all members of the College community regardless of age, ancestry, citizenship status, color, creed, ethnicity, gender identity and expression, genetic information, marital status, mental or physical disability, national origin, race, religious affiliation, sex, sexual orientation, or veteran status and any other category protected by federal, state, or local law.

II. Scope of Jurisdiction

- A. College jurisdiction regarding discipline of any student or student organization under this Code of Student Conduct extends to conduct that occurs on College premises or at off-campus College-sponsored activities. Violations of laws, ordinances, policies, rules, procedures, and regulations will subject the violator to appropriate disciplinary action. The scope of this Code extends to compliance with professional standards of conduct or ethics that students must adhere to as part of their studies, including, but not limited to, while performing external internships, clinicals, practicums, international travel, or other placements related to credit and non-credit educational pursuits while at FCC. The process of adjudicating violations for this code is separate and pursued independently of federal and state laws.
- B. The Vice President for Learning Support delegates authority to discipline students to the Associate Vice President/Dean of Students (AVP/DOS) who may appoint a designee to assist when necessary.
- C. Disciplinary action will be taken when any student, group of students, or student organization violates any College policy, rules, or regulations. In all proceedings, the principle of due process is guaranteed to the student.
- D. The College reserves the right to take immediate action to suspend a student from the College as an interim measure should the presence of the student on campus be considered an immediate danger or whose behavior causes, or threatens to cause, a disruption to the normal operations and activities of the College, its students, faculty, or staff. This action requires the recommendation of the AVP/DOS, or designee, in concurrence with the Vice President for Learning Support or designee. Financial and academic consequences of this measure are the responsibility of the student, unless the student is found to have not violated this Code through the appropriate appeal process.

Code of Student Conduct Policy and Procedures

- E. Certain criminal or civil offenses or other behavior that poses a serious and substantial danger to the College community will be referred to law enforcement, as well as being subject to action by the College.
- F. All proceedings of the College disciplinary process are confidential to the extent required by law. In accordance with the Family Educational Rights and Privacy Act (FERPA, 93-380), as amended, a student's disciplinary records are educational documents and thus protected under FERPA. However, the College must, upon written request, disclose to the alleged victim of any crime of violence or a non-forcible sex offense, the results (Results means a disclosure of the name of the student, the violation committed, and the sanction imposed by the institution.) of any disciplinary proceeding conducted by the College against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided, upon written request, to the next of kin of the alleged victim. (See FERPA 34 CFR, 99.39 for definitions of crimes of violence, nonforcible sex offenses, and limits on the information to be disclosed.)

The Code of Student Conduct addresses both behavioral and academic integrity. Violations of academic integrity will be monitored and managed by the

Code of Student Conduct Policy and Procedures

office of the Provost/Executive Vice President (EVP) for Academic Affairs, Continuing Education, and Workforce Development (AA, CE, and WD). All other reported violations of the Code of Student Conduct and their subsequent resolutions will be monitored and managed by the office of the Vice President for Learning Support.

The following prohibited conduct, when committed by any student, or any student who aids, abets, incites, or attempts to commit prohibited conduct, will be considered in violation of the Code of Student Conduct.

A. Violation of Academic Integrity

1. A violation of Academic Integrity includes, but is not limited to, cheating, plagiarism, or facilitating dishonest activities. Examples of violations are provided below. The principles are applicable to all credit and non-credit courses at the College.
 - a. Cheating - the intentional or attempted use of unauthorized materials, information, or study aids in an academic exercise. Examples include, but are not limited to:
 - i. Use of notes, examinations, instructional material, or information obtained by electronic means during academic activities.
 - ii. Obtaining, using, or processing copies of an examination, and/or providing or receiving information contained in an examination.
 - iii. Submitting the work of another as your own.
 - iv. Having an examination taken by another party.
 - v. Altering or falsifying examination or class results after evaluation is completed by the faculty member.
 - vi. Carrying in or using unauthorized material during testing.
 - vii. Copying answers and/or work from another student during an assigned classroom activity.
 - b. Plagiarism - the presentation of an idea or product as new when taken from an original existing source without properly citing the source of the material. Examples of plagiarism include:
 - i. Duplicating the work of another author (in whole or part) without quotation marks and/or proper citations.
 - ii. Duplicating the author's exact words with the proper citation, but without quotation marks.
 - iii. Using an author's paraphrased ideas without proper citations.

Code of Student Conduct Policy and Procedures

academic activity, or resubmitting previously assessed work without prior approval.

2. When a faculty member has reason to believe that a violation of Academic Integrity has occurred, that faculty member must complete and submit the [Student Behavior Incident Report Form](#) available on the College website and Communication Central and notify their Department Chair or Director. The report will be monitored and managed using the secured College tracking system. The faculty member must also notify the appropriate Associate Vice President or Executive Director who will place a temporary hold on the student's record while the case is being reviewed. The faculty member will address the alleged violation of academic integrity with the student in his/her class.

The student will be afforded the opportunity to respond to the allegation with the faculty member. After communicating with the student, the faculty member will make a determination whether a violation occurred based on the preponderance of the evidence presented during the meeting.

Students found to be in violation of Academic Integrity may receive sanctions imposed by the faculty member in whose class the violation occurred. Sanctions will increase in severity in accordance with the level of the violation and/or the number of prior documented violations. The faculty member will confer with the Department Chair or Director and/or the appropriate Associate Vice President or Executive Director to inform him/her of the sanction determined to be appropriate. The student will be informed by the faculty member of the determination as to the occurrence of a violation, the sanction, and notification of the appeal process.

Once a sanction has been imposed, the appropriate Associate Vice President or Executive Director will notify the Registrar to remove the hold they previously placed on the student account, unless the sanction is a failing grade for the class, in which case the hold will remain, and the student will not be permitted to withdraw from the class.

3. Sanctions for Violations of Academic Integrity
 - a. First Violation
 - i. Students found in violation of Academic Integrity for the first time will be assigned by the faculty member a sanction appropriate for the offense. The student will be informed in writing of the sanction by the faculty member. If the appropriate sanction is determined to be class failure, the faculty member must seek approval from the Department Chair or Executive Director. Continued participation in the class is at the discretion of the faculty member, in consultation with the Department Chair or Executive Director. Continued participation will not change the assigned failing grade.
 - ii. A copy of the sanction letter will be sent to the Department Chair and the appropriate Associate Vice President or Executive Director. The appropriate Associate Vice President or Executive Director will

Code of Student Conduct Policy and Procedures

document the sanction and ensure that the sanction is recorded in the secured College tracking system.

b. Second Violation

- i. Students found in violation of Academic Integrity for the second time, either in the same course or a different course, will be assigned a failing grade in the course where the second violation occurred. This decision will be made in consultation with the Department Chair or Executive Director. The student will be informed in writing, sent by registered and priority mail, of the sanction by the faculty member.
- ii. A copy of the sanction letter will be sent to the Department Chair and the appropriate Associate Vice President or Executive Director. The appropriate Associate Vice President or Executive Director will document the sanction and ensure that the sanction is recorded as a second violation in the secured College tracking system.

c. Third Violation

- i. Students found in violation of Academic Integrity for the third time, either in the same or a different course, will be assigned, with the approval of the Department Chair, a failing grade in the class where the third violation occurred. The student will be informed in writing, sent by registered and priority mail, of the sanction by the faculty member.
- ii. A copy of the sanction letter will be sent to the Department Chair and the appropriate Associate Vice President or Executive Director. The appropriate Associate Vice President or Executive Director will document the sanction, and ensure that the sanction is recorded as a third violation in the secured College tracking system, and make a recommendation for expulsion to the Provost/EVP for AA, CE, and WD.
- iii. The Provost/EVP for AA, CE, and WD will expel the student.

4. Appeals

All appeals must be submitted in writing as indicated below:

- a. Appeal of Sanctions for First or Second Violations that Do Not Involve a Grade Dispute – Students who are appealing a sanction for a first or second violation that does not involve a grade dispute will have seven (7) workdays from the date of being notified of the sanction to request an appeal. Failure to request an appeal within the allotted timeframe will result in the student waiving the right to appeal. A written request of appeal must be submitted to the appropriate Associate Vice President or Executive Director. The Associate Vice President or Executive Director will appoint the Department Chair to schedule a meeting with the student, the faculty member, and the Department Chair within 10 workdays of receipt of the request for appeal and will inform all parties of the date, time, and location of the appeal meeting. Failure of the

Code of Student Conduct Policy and Procedures

student to appear for the appeal meeting without prior notification or evidence of extenuating circumstances, provided adequate advance notice of the appeal meeting date, time, and location has been given, results in a waiver of his/her right for further appeal, and the sanction imposed by the faculty member will stand.

The proceedings of the appeal meeting will be forwarded to the Associate Vice President, who will review the material and make a decision. The decision of the Associate Vice President or Executive Director will be final. The Associate Vice President or Executive Director will notify the student and faculty member in writing of his/her decision within three (3) workdays of the meeting.

Appeal of Sanctions for First or Second Violations that Result in a Grade Dispute – For first or second violations that result in a grade dispute, students must use the Complaint Policy and Procedures for Students.

A copy of the appeal decision will be sent to the Department Chair, the appropriate Associate Vice President or Executive Director, and the AVP/DOS. The appropriate Associate Vice President or Executive Director will document the decision of the appeal and ensure that the determination of the appeal is recorded in the secured College tracking system.

- b. Appeal of Sanctions for Third Violations/Expulsion – All appeals of sanctions for third violations/expulsion must be made to the College Student Discipline Committee, whose decision will be final.

A copy of the appeal decision will be sent to the Department Chair, the appropriate Associate Vice President, the Executive Director, and the AVP/DOS. The appropriate Associate Vice President or Executive Director will document the decision of the appeal and ensure that the determination of the appeal is recorded in the secured College tracking system.

B. Facilitation of Violations of Academic Integrity

- 1. The following prohibited conduct, when committed by any student, or any student who aids, abets, incites, or attempts to facilitate violations of academic integrity by another student, will be considered in violation of the Code of Student Conduct. All reported violations of the Code of Student Conduct in which students facilitate violations of academic integrity and their subsequent resolutions will be monitored and managed by the office of the AVP/DOS.

Facilitating Violations of Academic Integrity – intentionally, or knowingly, assisting or attempting to assist another student in violation of Academic Integrity. Examples include but are not limited to:

- a. Completing an academic activity in another name.
- b. Permitting another student to copy one's work for an assignment, or examination.

Code of Student Conduct Policy and Procedures

- c. Providing another student with unauthorized material during an academic activity.
 - d. Collaboration with other students to complete class assignments when prohibited by the faculty member.
 - e. Providing examination information to students in other course sections.
 - f. Selling, possessing, or purchasing examinations, papers, or other assignments
2. When a faculty member has reason to believe that a violation of Academic Integrity has occurred by a student not registered in his/her class, through the facilitation of academic dishonesty, the faculty member will complete and submit the Student Behavior Incident Report Form available on the College website and Communication Central and notify the AVP/DOS, who will place a temporary hold on the student's account while the case is being reviewed. The AVP/DOS will adjudicate the alleged violation of facilitated academic dishonesty under Section VI of this Code and will monitor and manage records of the report and responses using the secured College tracking system.

The student will be afforded the opportunity to respond to the allegation during a meeting with the AVP/DOS. Following meeting with the student, the AVP/DOS will make a determination as to the occurrence of a violation based on the preponderance of the evidence presented during the meeting.

3. Appeals

Students who wish to appeal sanctions imposed for facilitating academic dishonesty will follow Section VI, item D. of this Code.

C. Disruptive Classroom Behavior Violations

1. Faculty members have the right and responsibility to maintain an environment conducive to learning where discussion and expression of all views relevant to the subject matter of the class are recognized as necessary to the educational process. However, disruptive classroom behavior in the academic setting hinders the educational process. Accordingly, faculty members should establish, communicate, and enforce reasonable rules of classroom behavior and decorum via the syllabus and class discussion.

Disruptive Classroom Behavior is failure to comply with a directive from a College official or faculty member acting in performance of assigned duties or conduct that substantially interferes with or obstructs the teaching or learning process in the context of a classroom or educational setting. Examples include but are not limited to:

- a. Inappropriate use of electronic devices including cell phones, laptops, tablets, electronic pads, video, or recording devices, etc.
- b. Inappropriate comments or personal insults, conveyed orally or in writing, including communications within emails, and online course venues.
- c. Persistent speaking without being recognized or interrupting other speakers.

Code of Student Conduct Policy and Procedures

- d. Behavior that distracts the class, such as sleeping, holding private conversations, frequent leaving and entering the classroom, etc.
- e. Conduct that distracts or intimidates others in a manner that interferes with instructional activities.
- f. Refusal to comply with the directions of a faculty member.

Recognizing that learning takes place in areas other than traditional classrooms, expectations for classroom behavior apply to learning environments, including but not limited to, clinical sites, field trips, library visits, off-site facilities, online learning environments and Continuing Education courses (with the exception of courses specifically designated for younger ages such as Kids on Campus and Home School Enrichment courses, which have specific procedures for addressing classroom behavioral issues).

Civil expression of disagreement with the faculty member or other students during times when the faculty member permits discussion is not in itself disruptive behavior and is not prohibited.

- 2. Response to disruptive behavior involves progressive sanctions ranging from verbal warnings to referral for action under the College Code of Student Conduct commensurate with the nature, severity, and frequency of violations. However, involuntary suspension from the classroom for more than one class period, involuntary withdrawal from the class, or more serious sanctions require that the disciplinary procedures set forth below be followed:

Informal Resolution

Informal resolution is intended to provide recourse for a faculty member to address disruptive behavior with the goal of providing the student the opportunity to modify the behavior to conform to the behavioral standards established by the faculty member as necessary to remain in the class.

- a. If behavior of a student, in the judgment of the faculty member, willfully disrupts the teaching and learning process, the faculty member should issue a verbal warning, explaining that such behavior is unacceptable, instructing the student on the behavior that is required in the future and describing the consequences if the behavior does not cease.
- b. If necessary, the student may be asked to leave the class for the remainder of the class time, or in the case of an online student, suspended from the class until a meeting between the faculty member and student is held. If the student does not do so willingly, the faculty member will request the assistance of the Frederick Community College Security Office. The faculty member should inform his/her Department Chair in writing.
- c. In instances where a student has been asked to leave a class, or discontinue participation in an online class, the faculty member and student must meet in person or virtually prior to the next scheduled class to resolve the issue and review class expectations in order to be reinstated in the class. At this meeting, the faculty member will inform the student and document in writing

Code of Student Conduct Policy and Procedures

the unacceptable behavior, instruct the student on the behavior that is required in the future, and describe the consequences if the behavior does not cease. Consequences can include referral for formal resolution to the AVP/DOS.

Formal Resolution

Should the student refuse to meet with the faculty member, or the disruptive class behavior does not cease, the faculty member will complete the Student Behavior Incident Report Form available on the College website and Communication Central and the case will be referred to the AVP/DOS. The AVP/DOS will follow the Code of Student Conduct process for resolution and appeals.

D. Threatening Behavior Violations

1. Threatening behavior is defined as any communication and/or action - including those in written or electronic form, conduct, or gesture - directed toward any member of the College community that causes reasonable apprehension of physical harm to a person or property. Threatening behavior can be explicit or implicit. An implicit threat may also include behaviors that make one feel uncomfortable, like invading another's personal space or using techniques of behavioral intimidation, such as yelling or using aggressive gestures. The threatening behavior does not have to be directly observed or received by the person who is the object of the threat, so long as a reasonable person would interpret the statement, communication, conduct, or gesture as an expression of intent to harm. Students who may have a disorder that manifests itself in disruptive behaviors, while considered disabled and protected under Section 504 of the Rehabilitation Act of 1973 and the American with Disabilities Act and amendments, are still held to the same standards of conduct as any student.
2. All threatening behavior violations should be referred to the AVP/DOS through the Student Behavior Incident Report Form and/or College Security. Violations will be dealt with through the Code of Student Conduct, Section VI of this Policy.
3. A student who has engaged in threatening behavior will be removed from the classroom/College-sponsored activity until the AVP/DOS has addressed the issue with both the complainant and respondent.

E. Title IX Sexual Misconduct

1. Sexual misconduct is a broad term used to define acts of sexual assault, sexual exploitation, sexual harassment, intimidation, stalking, dating, domestic or intimate partner violence, or retaliation. When the respondent is an employee or student of the College, the complaint is handled under the College [Title IX Sexual Misconduct Policy and Procedures](#).
2. All complaints of sexual misconduct must be reported to the College Title IX Coordinator designated by the President as the Associate Vice President for Human Resources, Suite G223 of Gambrill Hall, Frederick Community College, 301-846-2436. Complaints may also be reported through the Student Behavior Incident Report Form.

Code of Student Conduct Policy and Procedures

2. All violations of alcohol, tobacco, opioid, and other drug use should be referred to the AVP/DOS and/or College Security and will be dealt with through the Code of Student Conduct, Section VI of this Policy.

H. Weapons

1. Weapons and ammunition are safety hazards and as such, unless explicitly permitted, are not allowed to be possessed, stored, used, transported or displayed by any student or visitor on College premises. (See the [Weapons Policy and Procedures](#).)
2. All weapons violations should be referred to the AVP/DOS and/or College Security and will be dealt with through the Code of Student Conduct, Section VI of this Policy.

I. Misuse of Information Technology Resources

1. Irresponsible, unethical, unauthorized, or illegal use of, or entry to College information technology resources, including its network, email system, and databases is strictly prohibited. (See the [Technology Use Policy and Procedures](#).)
2. All violations of acceptable use of information technology resources should be referred to the AVP/DOS and/or College Security and will be dealt with through the Code of Student Conduct, Section VI of this Policy.

J. Other Prohibited Conduct

The subsequent conduct, including, but not limited to the following, when committed by a student of Frederick Community College will be adjudicated in accordance with the procedures outlined in this document, Section VI, under the Code of Student Conduct Referral, Sanctions, and Appeal Process.

1. Disruption, obstruction of, or interference with College or College-sponsored activities, including, but not limited to research, studying, administration, participation in field experiences, online activities, internships, athletic events,

VI. Code of Student Conduct Referral, Sanctions, and Appeal Process

A. Referral

Any prohibited student conduct outlined in this Code which cannot be informally resolved as prescribed in this Code, or that is covered under other College policies or procedures as outlined in this Code, or is a violation of criminal or civil law, must be referred to the AVP/DOS located in Suite 319 of Jefferson Hall, for resolution (see Section V, Prohibited Conduct). Where public safety is perceived to be an immediate threat, dial 9-1-1.

The AVP/DOS will check student records via PeopleSoft for a service indicator of an F-1 Visa status. In the event that either party is here on an F-1 Visa status, notification will be given to the Designated School Official and documentation will be noted in the Student Exchange Visitor Information System (SEVIS).

B. Investigation

After a Student Behavior Incident Report Form has been submitted, the AVP/DOS will initiate a prompt, thorough, and impartial investigation of all alleged violations of the Code of Student Conduct. Students will have an opportunity to be heard, to submit information, and to identify witnesses who may have relevant information in their defense.

1. The AVP/DOS or his/her designee will notify the respondent of the alleged, reported violations and seek a conference with the respondent within three (3) workdays of receiving a report. The AVP/DOS or his/her designee will conduct an investigation of the alleged violation(s) by collecting evidence and interviewing witnesses, clarifying any statements, observations, or allegations with the complainant. After completing the investigation and meeting with the respondent, the AVP/DOS or his/her designee may either dismiss the complaint as unfounded or initiate disciplinary sanctions. In cases where the AVP/DOS or his/her designee determines that disciplinary sanctions are warranted, within five workdays of his/her determination, the respondent will be notified in writing. All written notices will be sent by registered and priority mail. If the complaint is complicated or otherwise cannot reasonably be investigated within the allotted workdays, the AVP/DOS or his/her designee may extend the time for a decision and will inform the respondent of the extension in writing.
2. Failure to respond to a request for a conference or to accept a registered letter sent to the respondent's address listed in the student record via PeopleSoft within five (5) workdays constitutes an acknowledgement that a violation of the Code of Student Conduct has occurred and the student's rights to any further appeal are waived. Timelines for responding to notices are determined by the date the

Code of Student Conduct Policy and Procedures

registered letter is mailed or the documented date the respondent was notified by any other means of communication.

3. After the conference with the respondent, the AVP/DOS or his/her designee, based on the preponderance of the evidence, may impose a sanction and inform the respondent of the appeal hearing process.

C. Sanctions

The following range of disciplinary sanctions may be imposed by the AVP/DOS:

1. Disciplinary warning – A written warning issued to a student notifying him/her that his/her behavior is unacceptable and is a violation of the Code of Student Conduct.
2. Disciplinary reprimand – A written reprimand issued to a student for a Code of Student Conduct violation with specific sanctions identified for the student. Disciplinary sanctions which may be imposed include, but are not limited to:
 - a. Disciplinary probation means that the student is still enrolled and is put on formal notice that they are subject to specific behavioral guidelines, the violation of which may lead to more severe forms of discipline such as suspension or expulsion.
 - b. Suspension/expulsion from participation in College-related activities: For example, participation in intercollegiate athletics, student government association, student clubs and organizations, etc.
 - c. Educational project or community service assignment: A project or assignment on campus or in the community, which will provide the student with an opportunity to observe and learn specific valued human behaviors related to his/her own conduct. For example, participation in a leadership seminar, alcohol/drug seminar, and/or personal development class. Evidence of satisfactory completion will be required.
3. Interim Suspension – The AVP/DOS or his/her designee may suspend a student for an interim period. Interim suspension is immediately effective without prior notice, whenever there is evidence that the continued presence of the student on College premises poses a substantial threat to him or herself or to others or to the stability and continuance of normal College functions. The respondent will be notified by the AVP/DOS or his/her designee of the complaint/allegations and informed of his/her right to due process, which would include the right to appeal to the Student Discipline Committee within three (3) workdays of the respondent's notification of the interim suspension. The Student Discipline Committee will notify the respondent of its decision in writing within three (3) workdays of the appeal hearing. Financial and academic consequences of this interim suspension are the responsibility of the student. Interim suspensions used for immediate safety and security measures in Title IX Sexual Misconduct complaints will be handled under the [Title IX Sexual Misconduct Policy and Procedures](#). Students placed on Interim Suspension may be assigned specific requirements to complete in order to return to class and/or College.

Code of Student Conduct Policy and Procedures

4. Suspension from participation in a particular class is issued in serious cases where the behavior is determined to be a violation that has egregiously compromised the learning environment of that class. Suspension from the class for the duration of the semester requires the approval of the Provost/EVP for AA, CE, and WD and Vice President for Learning Support.
5. Suspension from participation in a particular program of study is issued in cases where the behavior, determined to be a violation of the Code of Student Conduct, is a violation of the professional and ethical code of the program of study, and has compromised the learning environment of a particular program of study. After suspension from a program of study, the student may not reregister for the program without the approval of the Provost/EVP for AA, CE, and WD or licensure entity.
6. Disciplinary suspension is the involuntary separation of a student from the College for a stated period of time and until any imposed condition is met. The student is not permitted to enter campus or participate online without the express permission of the AVP/DOS. A notation is entered on the student's account and will remain there for the duration of the suspension. The AVP/DOS will inform faculty and staff involved with this student of any suspension and/or imposed condition for return to the College. For sanctions involving suspension or expulsion, notification will be given to the Designated School Official and documentation will be noted in SEVIS.
7. Expulsion is the most serious of all sanctions and indicates that an egregious violation of the Code of Student Conduct has occurred. Expulsion results in permanent separation from the College and will be noted on the student transcript. The AVP/DOS will make a recommendation for expulsion to the Vice President for Learning Support, who will expel the student. A notation is entered on the student's account and will remain there permanently. The AVP/DOS will inform faculty and staff involved with this student of any suspension and/or imposed condition for return to the College. For sanctions involving suspension or expulsion, notification will be given to the Designated School Official and documentation will be noted in SEVIS.

D. Appeal Process

Students who are sanctioned under the Code of Student Conduct may appeal to the Student Discipline Committee, whose decision will be final. Appeals to the Student Discipline Committee are received by the Office of the Vice President for Learning Support, located in Suite J319 of Jefferson Hall. The appeal must be submitted in writing to the Office of the Vice President within five (5) workdays following notification of the sanction.

1. Student Discipline Committee Membership
 - a. The Student Discipline Committee is an established committee through the College Senate.

Code of Student Conduct Policy and Procedures

- b. The Student Discipline Committee will conduct student appeal hearings for disciplinary sanctions imposed by the AVP/DOS and in Academic Integrity cases resulting in expulsion.

The College Senate shall elect a Chairperson for the Student Discipline Committee. Recommendations for additional members of the Student Discipline Committee, who will serve for the upcoming fiscal year, will be submitted to the Vice President for Learning Support by June 1 of each year.

Senate recommendations for Student Discipline Committee must reflect the following representation: two (2) representatives from Academic Affairs, one (1) representative from Learning Support, one (1) representative from College Security, two (2) student representatives appointed by the Student Government Association, and two (2) trained alternates. When needed, a trained alternate will serve in the absence of a member of the Student Discipline Committee.

Senate recommendations for the Student Discipline Committee will be vetted through Human Resources and selected members will be trained.

2. Notification of Student Appeal Hearing

- a. The Student Discipline Committee shall notify the student in writing of the date, time, and location of the Student Discipline Committee appeal hearing. The appeal hearing will be scheduled within three (3) workdays after the appeal is received. If, however, a longer period of time is needed in which to schedule the appeal hearing, the student will be notified in writing of the extension by the Chairperson of the Student Discipline Committee or his/her designee. Prior to the appeal hearing, the student will be:
 - i. Provided with a written statement of the violation charge(s) against him/her.
 - ii. Provided with a list of the alleged infractions.
 - iii. Informed of the right to appear alone or with one College Support Person. Legal counsel is permitted in the appeal hearing when the student faces concurrent criminal charges, the institution proceeds through counsel, or the student faces potential suspension or expulsion from the institution. Legal counsel for the student is at the student's expense.
 - iv. Allowed to examine, in advance, any written evidence or exhibits which the College plans to submit; reciprocally, the student will allow the College to examine, in advance, any written evidence or exhibits the student plans to submit.
 - v. Advised of the right to present information, witnesses, and evidence on his/her behalf, as long as all witness statements and evidence directly pertain to the incident in question.

Code of Student Conduct Policy and Procedures

- vi. Advised of the right to remain silent without assumption of responsibility.
3. Student Appeal Hearing Procedures
- a. Students may appeal a disciplinary sanction imposed by the AVP/DOS or for violations which result in expulsion to the Student Discipline Committee. The appeal hearing shall be closed to the public. The Chairperson of the Student Discipline Committee shall have the duty of maintaining order at the appeal hearing and, therefore, shall have the right to exclude any disruptive party or disruptive witnesses from the appeal hearing.
 - b. Failure of the student to appear for the appeal hearing without prior notification or evidence of extenuating circumstances, provided adequate advance notice of the appeal hearing time, date, and location has been given, waives his/her right for further appeal and the disciplinary sanction previously imposed will stand.
 - c. All meetings of the Student Discipline Committee will be taped or transcribed. In addition, the following order of presentation will be observed:
 - i. Opening statement of the complaint and disciplinary sanctions assigned by the AVP/DOS or appropriate Vice President to be presented by the Chairperson of the Student Discipline Committee or designee.
 - ii. Opening statement by the student who is appealing.
 - iii. Presentation of evidence to support the appeal by the student.
 - iv. Private deliberation by the Student Discipline Committee.
 - d. After private deliberation, the Student Discipline Committee shall determine through a majority vote whether to uphold, modify, or dismiss the sanction imposed by the AVP/DOS or appropriate Vice President. The student will be notified in writing of the Student Discipline Committee decision within five (5) workdays. If, however, a longer period of time is required to complete the decision, the student will be notified in writing of the extension by the Chair of the Student Discipline Committee or his/her designee.
 - e. In cases where the Student Discipline Committee agrees that the sanction of expulsion is warranted, the President must review the case and approve the Committee's decision to expel.
 - f. The decision of the Student Discipline Committee shall be final.

VII. Reenrollment Following a Disciplinary Suspension

- A. A respondent who has been subject to disciplinary suspension from the College must request reenrollment and meet with the Vice President for Learning Support. The student must present evidence that he/she has satisfied any and all conditions of reenrollment that were established at the time the suspension was imposed. Where

Code of Student Conduct Policy and Procedures

- appropriate, the respondent may be required to provide documentation from a qualified professional indicating that the respondent no longer poses a significant risk of substantial harm to the health or safety of such respondent, or others, or of interference with the normal operations of the College, its students, faculty, and staff.
- B. The Vice President for Learning Support or his/her designee must approve the request for reenrollment. In approving a request for reenrollment, the Vice President or his/her designee may impose conditions and/or requirements under which the respondent will be allowed to reenroll. The respondent will be notified in writing of the decision regarding his/her request for reenrollment including any conditions and/or requirements under which the respondent will be allowed to reenroll.
 - C. The College reserves the right to pursue any and all legal remedies and such rights and remedies are specifically reserved. Denial of readmission may be imposed upon a respondent who has violated the Code of Student Conduct and has withdrawn from the College prior to or during disciplinary proceedings.

VIII. Records

- A. A disciplinary file in the name of the respondent will be established for all disciplinary sanctions. If the respondent was not found to have violated this Code of Student Conduct, a record of the complaint will be maintained but will not be made available for disclosure. Files are maintained in accordance with the Family Educational Rights and Privacy Act (FERPA).
- B. Disciplinary files may be voided for good cause by the Vice President for Learning Support.
- C. Files of respondents who have received a written disciplinary sanction will be retained for seven years from the date sanctions were imposed. The files will then be destroyed except in cases where the respondent has been indefinitely suspended or expelled from the College. Files for these respondents will be retained permanently. Information contained in the files is confidential and may be released only in accordance with applicable federal and state laws.
- D. If a respondent is suspended or expelled, complete records of the appeal hearing proceedings and all pertinent documents shall be maintained by the Vice President for Learning Support. For suspended students it remains on the transcript for the duration of the suspension; for expelled students it remains on the transcript permanently.
- E. Records of all disciplinary actions will be filed in the office of the Vice President for Learning Support.
