

Resources for Disability Evaluation/Testing

This is list of resources not recommendations. For specific recommendations, please contact your primary care provider. You are welcome to use other qualified medical professionals not on this list. Make sure to provide them with the Disability Access Services Documentation Guidelines to ensure that what they provide will meet the guidelines and that they are licensed in the area needed.

Frederick, MD 21701
Phone: 240-629-7581

The first step is to make an appointment to attend an orientation by calling the number listed.

University of Maryland Psychology Clinic

The Psychology Clinic offers year-round, sliding-fee scale services for children, adolescents, and adults. Services include individual therapy and psychoeducational assessment, such as LD/IQ/ADHD. The Psychology Clinic is staffed by Licensed Clinical Psychologists, Clinical Program Faculty Members, and graduate students from the Doctoral Program in Clinical Psychology.

Located in the Biology/Psychology Building on the University of Maryland College Park campus.
4094 Campus Dr., College Park, MD 20742 psycclinic@umd.edu or 301-405-4808

Loyola Clincial Center -currently closed for psychoeducational assessments through 12/22

As a graduate training facility, Loyola University graduate students are trained to conduct comprehensive evaluations. They provide sliding-fee scale psychoeducational testing (learning and attentional differences, deficits and strengths) and neuropsychological testing (strokes, TBIs).

Located at the Columbia Graduate Center, 8890 McGaw Rd, Columbia, MD 21045 and Belvedere Square, 5911 York Road, Ste. 100, Baltimore, MD 21212 theclinics@loyola.edu or 410-617-1200
