1	I love how the center focused on learning through play. Ms Holly does such special and unique projects with the kids. She has also supported my daughter so well. We are confident my daughter will have the academic and social skills necessary to succeed in kindergarten.	3/13/2019 3:42 PM
2	The only thing I have a huge concern about is the time school starts during two hour delay. School should start at 9:00. Many of my friends have asked if they should send their child to FCC and the only thing that holds me back is the snow delay. Many of my friends work and aren't able to stay home until the 11 start time. You have lost many potential clients because of this.	3/13/2019 12:43 PM
3	We already have	3/13/2019 11:11 AM
4	.	3/13/2019 10:44 AM
5	Great environment all around. Great location, well-structured classes and great teachers. Only frustration are the weather delays and cancellations. I understand the policy of following the college's plans, but it makes it very difficult for two working parents to constantly have to shuffle things around to accommodate "bad weather."	3/13/2019 10:39 AM
6	The early classrooms are great. Ms. Elaina is by far the best teacher at the center!	3/13/2019 10:33 AM

3	I like the structure of the environment that incorporates the right amount of fun mixed in with learning.	3/13/2019 11:12 AM
4	When problems arise, able to communicate with staff	3/13/2019 10:44 AM

## Q9 What could we do better?

1	I'm not a big fan of iPads for young kids. However, I know their use is limited. It's just a bit rough for those families who try to hold out giving technology to kids for as long as possible.	3/13/2019 3:45 PM
2	Snow delay!	3/13/2019 12:44 PM
3	Outdoor activity time continues to be a concern. Too many injuries persist when closer supervision might prevent them. The outdoor area also tends to get too muddy causing either diminished outdoor time or a higher than expected need to have clothes swapped due to dirt and mud.	3/13/2019 11:13 AM
4	More connection during day from school to home using tadpoles. Many days and weeks will go by and there are no updates, pictures, etc	3/13/2019 10:45 AM
5	Also noted in previous comments.	3/13/2019 10:39 AM
6	Behavior control and better curriculum for the 4's and pre-k classrooms.	3/13/2019 10:34 AM
