Summer Camp 2020

Anything Goes! (June 22-26)

Starting off the summer with a flourish! A little bit of this, a little bit of that but a whole lot of FUN! No need to choose just one way to spend our day – this week will be an assortment of fun-filled activities with plenty for everyone to enjoy! Outdoor games, brain benders, minute-to-win-it games, art activities, science experiments, board and card games, ping pong and water fun are on our to do list this week as we kick off our summer! Special events to be announced.

Cooks with Books (June 29-July 2 closed July 3rd)

Get excited about cooking in a new and delicious way as we use several of our favorite children's books to stir up our appetites. Campers will read stories with food in the starring role – Cook-a-Doodle-Do, Goody O' Grumpty, Little Red Hen just to name a few! Gingerbread anyone? Campers will participate in hands-on activities related to the books and get ready for a culinary adventure as we cook up the incredible edibles from the stories. Special events include making bread with Breadmake!

Medieval Times (July 6-10)

Gather, m'lords and m'ladies! Learn about life in the days of knights and ladies, castles, dungeons and pageants. We will try our hand at many activities, from making catapults and playing medieval games, to creating a coat of arms, building a cardboard castle and grinding wheat. Campers will explore medieval crafts, practice jousting and learn about clothing and customs from long ago. Special events to be announced.

Then and Now (July 13-17)

Inventions have shaped our world! Throughout history, people have imagined and then created new things to make their lives better, easier, and more enjoyable. This week campers will examine the amazing world of inventions and even imagine a new invention for the 21st century. Campers will explore the differences between technology used in the past and technology presently being used. Special events include a visit from Tim's Gems.

Slime Time! (July 20-24)

Slime! – A week for the messy minded! Put on your lab coats and get ready to experiment with all sorts of slimy, gooey stuff. We will investigate and explore the chemical reactions at the root of all slime recipes. Activities include making magnetic slime, fluffy slime, butter slime, foam, and so much more! Special events include a visit from Scales and Tales!

Creative Campers (July 27-31)

Unleash your child's imagination this summer! The week will be filled with a fantastic blend of art based projects and concoctions, science experiments, puppetry and imaginative activities to develop creative thinking skills and inspire self-expression! Special events include a visit to the Washington County Art Museum.

Wild About Animals (Aug 3-7)

Calling all animal lovers! Each day this week campers will explore and learn about animals from around the world. Our week long safari will take campers on a different adventure with animal-themed activities, games, and projects. Join us for a wild time! Special events include a visit from Creatures Great and Small!

Silly Science Lab (Aug 10-14)

Wiggling gummy worms, dancing raisins, shrinking marshmallows, growing gummy bears, flying toilet paper, bouncing bubbles...what do all these things have in common? They are all super silly, but they can all be explained with serious science! If you are ready for some ridiculous chemistry and frolicking physics, then come join us for many exciting experiments! Special events include a visit from the Science Tellers!

Crazy Days (Aug 17-20 no camp Aug. 21st)

Let's have some FUN before summer is done! Every day will be a new theme such as mix and match day, beach day, and pajama day. Special events include an afternoon movie with popcorn, tie dye fun and a visit from a magician. Remember the last day of camp will be Thursday.

Please note that field trips and special visitors are subject to change based on weather, availability, and scheduling.
