## **How to Build a Schedule to Maximize Your Benefit Payment**

#### This guide is for students using:

- Dependents' Educational Assistance (Chapter 35)
- Montgomery GI Bill® Selected Reserve (Chapter 1606)
- Montgomery GI Bill® Active Duty (Chapter 30)

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <a href="https://www.benefits.va.gov/gibill.">https://www.benefits.va.gov/gibill.</a>

Students using these benefits are issued a monthly payment based on their training time on each day of the previous month. Refer to the VA's <u>rate tables</u> for current payment rates. To maximize your monthly benefit payment, understand how the VA determines your training time by referring to the charts below.

\*\*\*Note: While training time determines your monthly benefit payment, course format does NOT.

Therefore, you can take classes in ANY format (face-to-face, hybrid, structured remote, asynchronous online).
