We’re ready for a great summer and we want you to join us! Our weeklong morning and afternoon programs offer adventures in science, technology, culinary and creative arts, music, fitness, and so much more. Register online today!

Note: If you are new to online registration, click “Create Account” to get started. While a separate profile is needed for each child, the same email address can be used for each one. Please contact CEWD Registration at 301.624.2888 or cerequest@frederick.edu with any questions.

Share the summer with your friends!

Invite a friend to join you at FCC this summer and get ready to star in your own show, invent comic book characters, take over the kitchen, design video games, and more. Kids & Teens on Campus features supervised, hands-on activities to encourage students to think independently in a safe environment.

Got questions? We can help.

For questions or more information, please contact the Program Manager, at kidsoncampus@frederick.edu or 301.846.2661

NEW! Little Masters
Bring the past to life as you explore the world of great artists and artwork with hands-on activities that include painting, sculpture, drawing, and loads of fun! Create a piece of art in the style of the "Masters," such as Vincent van Gogh, Pablo Picasso, and Henri Matisse, just to name a few. Perhaps the next great "Master" will be discovered in this class.

AGES 6 - 8
KOC599 | 9 hours | $79.00
17742 M-W 7/1–7/3 9 a.m. - 12 p.m. F118 Prahl

Animal Art Attack!
Celebrate the entire animal kingdom through art. Create a woodland animal collage, sea creatures in paper mache, and sculpt dogs and cats out of clay. Explore using mixed media with drawings of horses, feathered owl friends, and decorated bird houses. This class is all about making art that focuses on the amazing creatures who share our planet with us.

AGES 7 - 10

17647 M-F 6/24–6/28 9 a.m. - 12 p.m. F118 McDermott

Creating Comics
Do you dream about monsters and aliens? Does your imagination work overtime creating dialogue for your characters and setting up action scenes? Can you picture yourself as a cartoonist? Learn to develop your characters, giving them personality and life. Have fun creating superheroes, monsters, aliens, or just regular kooky characters. Learn techniques in basic perspective, anatomy, facial expressions, panel composition, lettering, penciling, and inking. Understand how to lay out panels and get your ideas to flow. By the end of the week, you'll design, write, and draw your characters into one of many comic formats.

AGES 8 - 11
KOC391 | 15 hours | $129.00

Safe Sitter Babysitting Training

Good babysitters are always in demand! Safe Sitters gain the skills needed to do the job well and earn parents' trust. Students who complete the medically-accurate, up-to-date program gain confidence and learn how, why, and where injuries can happen so they can be prevented. They are taught how a child's age affects how to care for them and how to deal with problem behavior. Students also learn how to perform infant and child choking rescue, and they even learn CPR. Included are pointers on safety for the sitter as well, and how to deal with uncomfortable and potentially dangerous situations. Certificate awarded at the conclusion of class.

Once you’ve designed and built remote control robots using Lego Mindstorm kits, engage your robot in skirmishes with others, and complete maneuvering, distance, and battle challenges. With new contests and encounters each day, students will learn how to incorporate advanced programming skills and various types of sensors into their robot to take it to the next level.

Note: This class is designed for students who have previously taken Battle Robots.

**Rube Goldberg Machine: A Crazy Solution to a Simple Task**

Who is Rube Goldberg? What are Simple Machines? This class is all about the wonderfully wacky inspirations of Rube Goldberg- an inventor, cartoonist, and engineer of wild motion machines named after him. The sole purpose of these machines is to accomplish a simple job through multiple bizarre steps. Student inventors will work in small teams to design and create their own Rube Goldberg-style inventions, which will sharpen their skills in physics, creativity, and humor. Students will be challenged to create Rube Goldberg inventions (a series of simple machines that accomplish a simple task) using familiar and found objects such as ramps, rope, tubes, weights, balls, funnels, recyclables, and most importantly, lots of Duct tape. This class is dedicated to exploration, design, and fun with activities including the construction of massive domino chains, creating your own machines, and trying to build a better mousetrap. If you like drawing, art, engineering, and antics, this is the class that will keep your imagination in perpetual motion.

Middle School Math
Middle school is right around the corner, and this is your chance to get a jump start on 6th or 7th grade math. Be two steps ahead or more, who's counting (well, you are), after you take advantage of this enjoyable and practice-filled math experience that will prepare you for the upcoming year in math class. Through math games, group activities, and individual study, learn about rational numbers, ratios and proportions, statistics and probability, expressions, equations, and more. This class helps prepare for the new common core curriculum for FCPS students, but is beneficial for home school students as well.

Note: This class is intended for students going into 5th grade accelerated math, or 6th or 7th grade math classes, and is not intended for elementary students who are not going into accelerated math.

FCC Alert
We strongly encourage parents to sign up for FCC Alert in order to receive timely information regarding College closures, emergencies, etc. To sign up go to frederick.edu and search FCC Alert.

Attendance/Dismissal
Attendance is taken daily. Students MUST be signed in and signed out of classes by their parent or guardian. Parents should bring their child to the class no earlier than 10 minutes prior to the start of the class. There is no supervision prior to this time. Parents must take full responsibility for their child’s behavior and safety. At dismissal, students will be supervised until picked up. Please be prompt! If you are going to be late, please call us at 301.846.2661 to let us know. (We understand parents may have more than one child on campus at one time.)

Students not picked up by 12:15 p.m. (for morning classes) or 4:15 p.m. (for afternoon classes) will be escorted to the Conference Center (Building E) to await pickup.

Pick Up/Drop Off and Sign In/Out Procedures
Students ages 6 to 12
• Children must be signed in and out from their classroom by an authorized adult.
• Children attending both morning and afternoon programs on the same day will be checked out of morning and into afternoon classes by a KOC/TOC staff member.
• The college will only release your child to those listed as “authorized” on the Emergency Contact Form.

Teen Students age 13 and over
• With a signed Self Sign Out Form on file, teens may sign themselves out.

• Self Sign Out Forms are available by contacting Kidsoncampus@frederick.edu or calling 301.846.2661.
• Without a signed Self Sign Out Form on file, teens must be signed out of class by an authorized adult. (Please see procedure for students ages 6 to 12.)

LUNCH BUNCH:
Pick Up/Drop Off and Sign In/Out Procedures
A staff-supervised lunchtime program, Lunch Bunch (Bring Your Own Lunch) and Lunch Bunch Plus (FCC provides lunch) takes place from 12-1 p.m. daily in the Cougar Grille (H Building, Student Center).

Program Requirements
Students registered for both morning and afternoon classes on the same day are required to sign up for Lunch Bunch. No student may be unsupervised on campus between classes. These students are accompanied by our staff from their morning class to Lunch Bunch, and then to their afternoon class.

Program Options
Students registered for only morning or afternoon classes are welcome to register for and attend Lunch Bunch as well. Afternoon students attending Lunch Bunch must be dropped off by noon in the Conference Center, E-115. Program staff will accompany them to lunch.

Important Note
Lunch Bunch is NOT a drop-in program. Students must be registered in advance for this program. See page 24 for dates and details.
**General Program Information cont...**

**Cell Phone Usage**
Cell phones must remain off during class session. If you need to reach your child while class is in session, please call our office at 301-846-2661 and a message will be immediately delivered to your child.

Electronic devices and cell phones may not be used during class hours without instructor permission. FCC is not responsible for lost, broken or missing items.

**Emergency Contact Form**
Required for all courses and must be completed before a child can participate in a program, this form is completed online as a part of the registration process. If, for any reason a form is not on file for your child, one will be provided at the beginning of the first day of class to be completed and signed by an authorized guardian before leaving the child.

**Student Safety**
Everyone’s safety is our top priority. All FCC faculty and staff undergo background checks as required by state law. Children are closely supervised and are escorted by KOC/TOC staff to and from all activities. Parents/guardians are required to sign their child in and out of class each day.

**Food Allergies**
FCC provides nut-free snacks and lunches during summer programs. We kindly ask students, parents and guardians to not bring peanut or nut products to campus. Please note, however, the college does not guarantee an allergen-free environment.

**Medications & Emergencies**
FCC staff are not authorized to administer any medication (prescription or non-prescription) to students.

If medication must be taken while the student is on campus, the parent/guardian is responsible for coming to campus to administer the medication.

Written authorization from a physician and parent/guardian is required for students who carry an epi-pen or inhaler. Please call 301-846-2661 or email kidsocampus@frederick.edu for the required form. In an emergency, trained staff will administer epi-pens or inhalers provided by students.

In emergencies requiring immediate medical attention, your child will be taken to the nearest hospital emergency room. Your signature on the Emergency Contact Form authorizes the responsible person at Frederick Community College to have your child transported to that hospital.

**Medical Treatment**
Staff take all reasonable measure to ensure the safety of the children in the Kids on Campus & Teens on Campus program and provide appropriate supervision at all times.

Scraped knees, nose bleeds, bee stings, and other injuries occasionally happen. KOC/TOC staff will follow the State regulations for minor injuries. The regulations state that staff can treat injuries with soap, water, ice and bandages. If a child is injured or feeling ill, KOC/TOC staff will bring the individual to the KOC/TOC office for treatment and/or a short observation. All incidents are logged in the KOC/TOC health log and parents receive an email describing the minor injury and treatment.

If a child feels ill, staff will assess the situation and determine if the child can return to class or should leave for the day. If the child needs to leave class because of illness or more serious injury, the parent will be notified and is expected to pick up their child immediately.

If FCC or KOC/TOC staff deem a situation an emergency, staff will immediately call 911 for medical assistance and/or transport, then notify the parent as quickly as possible.
Special Accommodations
Frederick Community College makes every effort to accommodate individuals with disabilities for College-sponsored events and programs. If you have accommodation needs or questions, please call 301-846-2408. To request a sign language interpreter, please visit http://fcc-interpreting.genbook.com. If you have interpreting related questions, please email Interpreting@frederick.edu. Sign language interpreters will not be automatically provided for College-sponsored events without a request for services. To guarantee accommodations, requests must be made at least five workdays in advance of a scheduled event.

Money
Please do not provide money for your child to spend at FCC. Students will not have opportunity to purchase food or other items on their own while on campus.

Marketing/Campus Photography
As Frederick Community College is a public institution, students, employees and visitors may be photographed or videotaped and appear in marketing materials without prior permission. To that degree, children may be photographed or videotaped while at FCC. If you wish to have your child(ren) excluded from these activities, please indicate this request on the KOC/TOC Emergency Contact Form.

Cancellation Policy
If your child will not be able to attend a course, please notify us immediately. If notification is received by close of business the Monday prior to the start date of the class being dropped, there will be a 100% refund of class fee. For any refund request received after that Monday before the class start date, there will be no refund. Requests to drop a class must be made via email at cerequest@frederick.edu or in person. Requests for drops or refunds left on voicemail will NOT be processed. You must include the student’s name, course name, start date and time. Refunds will not be made for non-attendance.

Discipline Policy
Children are expected to behave in a friendly, cooperative manner toward fellow classmates, instructors, assistants and FCC staff. FCC reserves the right to dismiss any child displaying excessive poor behavior which might jeopardize his/her own or the safety, experience or welfare of others. Refunds are not issued for children dismissed from a program for disciplinary purposes.

Registration
Register online at frederick.edu/QuickEnroll. If you need assistance registering, contact us by phone at 301.624.2888, via email at cerequest@frederick.edu, or visit our registration office in Jefferson Hall.

Class Locations
A majority of classes take place in Building E (Conference Center) and Building F (Visual & Performing Arts Center) while others are held at various locations on campus. A map is located on page 28 to assist parents and guardians with locating classrooms (see class descriptions or receipt for exact classroom numbers) and determining the best place to park. Additionally, our staff will be in both the Conference Center and the Visual & Performing Arts lobbies to help guide anyone needing further assistance in locating a classroom. Class locations are subject to change. Please visit frederick.edu/QuickEnroll to confirm your class location.
